Glenda Martens
Judge Riddell's Boys Ranch

Dear Glenda,

The Orchard Park Senior Center participants adopted the Judge Riddell's Boys Ranch for Christmas 2013. We received a wish list from the Ranch specifying what items were most needed and then began a collection drive to obtain the products. We estimate the contributions to total \$1,000-\$1,500. The donations will consist of the following:

Multiple collections of:

- Hygiene products (taking care to avoid aerosol sprays, glass containers or products containing alcohol).
- Grooming tools such as combs
- Playing cards
- Uno cards
- Crossword Puzzle Books
- Board Games
- Baseball Gloves
- Baseball Bats
- Nonperishable snacks
- Socks and other garments
- 2 radio/CD players for the recreation room

Laurel A. Alkire
Executive Director

Each year the senior center chooses a group or service in need and chooses to adopt them in the spirit of giving. Recognition of the gift is appreciated but does not need to be formal. The center participants will appreciate a thank you letter of acknowledgement but please don't feel it is necessary for the ranch or Sedgwick County to make a formal announcement. The participants would like for a representative to go before the County Commissioners and petition approval on their behalf.

Thank you for allowing our seniors the opportunity to help the Ranch and the boys that benefit from your services. It is our pleasure to work with you and we hope you have a wonderful holiday season.

Sincerely,

Laurel Alkire
Executive Director
