1. CQS-1F EMULSIFIED OIL - PUBLIC WORKS

FUNDING - R175 PREVENTIVE MAINTENANCE - SELECTED RDS.

(Request sent to eight vendors)

RFB #12-0061 Req 10047134

	Qty (Gallons)	Ergon Asphalt & Emulsions, Inc.	
		Unit Price	Ext Price
CQS-1F Emulsified Oil	11,000	\$2.35	\$25,850.00
Delivery Days		24 hours after order	
		Vance Brothers	
		no bid	

On the recommendation of Joe Thomas, on behalf of Public Works, Jennifer Dombaugh moved to **accept the bid from Ergon Asphalt & Emulsions, Inc. for an initial purchase of \$25,850.00 and establish contract unit pricing for one (1) year with two (2) one-year options to renew.** Tim Kaufman seconded the motion. The motion passed unanimously.

CQS-1F emulsified oil is used as a sealant on the surface of the chat seal process.

Question: Why was there only one bid response received?

In surveying the vendors who did not respond, we found that several stated they could not be competitive with delivery of this product from their plant location. Another vendor was late in submitting their response. And another no longer supplied either product because they had changed their chemical formulations and did not meet the specifications requested.

On the recommendation of Joe Thomas, on behalf of Public Works, Tim Kaufman moved to **accept the bid from J&A Traffic Products for an initial purchase of \$4,914.50 and establish contract unit pricing for one (1) year with two (2) one-year options to renew.** Jennifer Dombaugh seconded the motion. The motion passed unanimously.

Telescoping steel sign post systems are adjustable sign posts used to support and mount various traffic signs.

Note: Additional comments made at Bid Board addressed why only one bidder supplied pricing when previously we had received several responses. Two vendors were late in submitting their responses. Another vendor had delivery time issues with their supplier. Another stated they could not competitively quote on steel products.
