Tenant shall pay any cost incurred by Landlord in performing such work, together with reasonable charges for overhead and supervision, within twenty (20) days after demand for payment by the Landlord.

7.04 **TENANT'S ALTERATIONS:** Tenant may, at its own expense, make changes, additions or improvements in the Demised Premises to better adapt the same to its business, provided that any such change, addition or improvement has been approved, in writing, by Landlord and of any governmental authority having jurisdiction over such change, addition or improvement. Tenant shall comply with all requirements of Section 2.05 in connection with any change, addition or improvement to the Demised Premises. Provided that Tenant otherwise complies with its obligations under this Lease with respect to Tenant's Work, Landlord shall not unreasonably withhold its consent to Tenant's proposals for non-structural changes, additions or improvements to the Demised Premises which do not involve changes or alterations to the Building's exterior, structure, systems or apparatus. Any such change or alteration shall be equal to or exceed the current standard for the Building. Such change shall be carried out only by contractors who have been approved by the Landlord. Landlord shall have the right to require that any contractor performing work on behalf of the Tenant furnish to the Landlord a performance bond to the full extent of the value of the work to be performed, together with proof of worker's compensation, public liability and property damage insurance as may reasonably be required by Landlord. All required insurance shall remain in effect throughout the period of time that the work is to be performed.

7.05 **TENANT'S PERSONAL PROPERTY:** Tenant may install trade fixtures and other personal property incidental to the conduct of its business in the Demised Premises. In no event shall any installation interfere with or damage the mechanical or electrical systems or structure of the Building. Trade fixtures may be removed from the Demised Premises, provided that the Tenant is not in default under the Lease beyond the expiration of any applicable notice and grace period. Such removal shall be limited to the ordinary course of Tenant's business or alteration or renovation of the Demised Premises by the Tenant. Tenant shall repair any damage to the Demised Premises resulting from any such installation or removal.

ARTICLE 8 - TAXES

8.01 **LANDLORD'S TAXES;** Landlord shall pay before delinquency all real estate taxes and special assessments levied or imposed against the Shopping Center or the Building, except such taxes as may be imposed directly against the Tenant, or taxes which the Tenant is obligated to pay pursuant to the terms of this Lease.

If Tenant shall elect to self-insure, Landlord shall have all the benefits provided in Section 9.02 that it would have had Tenant carried the required insurance; provided, however, if Tenant self insures, Tenant shall not have any duty to defend or indemnify Landlord with respect to claims arising out of Landlord's grossly negligent or intentional acts. If Tenant elects to self-insure, Tenant shall promptly give Landlord written notice of such election and a letter that verifies Tenant's self-insured status.

ARTICLE 10- RELEASE AND INDEMNITY

10.01 **MUTUAL WAIVER OF SUBROGATION:** Landlord and Tenant hereby waive the rights each may have against the other on account of any loss or damage occasioned to Landlord or Tenant, as the case may be, their respective property, the Demised Premises or its contents or to other portions of the Shopping Center, arising from any risk insured against by Landlord or Tenant, and the parties each, on behalf of their respective insurance companies insuring the property of either Landlord or Tenant against any such loss, waive any right of subrogation that it may have against Landlord or Tenant, as the case may be. The release and waiver of subrogation rights provided herein shall apply only if and to the extent that insurance proceeds are in fact paid to or for the account of the party giving the release hereunder.

10.02 **TENANT'S INDEMNITY:** To the extent provided for by the Kansas Tort Claims Act, (K.S.A. 75-6101 et seq., and amendments thereto) or other applicable law, Tenant will protect, defend, indemnify and save harmless the Landlord, any mortgagee of the Shopping Center and any assignee of the Landlord's interest under this Lease and in the Demised Premises from and against any and all losses, damages, costs, expenses (including reasonable attorneys' fees), liabilities, claims, demands, and/or causes of action of any nature whatsoever, and any expenses incidental to the defense thereof suffered by or asserted against Landlord and arising out of: (i) any occurrence on the Demised Premises (unless caused by the negligence of the Landlord, its agents, employees and contractors, or the material default of the Landlord in the performance of any of its obligations under this Lease), (ii) any condition, maintenance or repair of the Demised Premises which is the responsibility of Tenant, or (iii) failure of the Tenant to materially comply with this Lease.

10.03 **LANDLORD'S INDEMNITY:** Landlord will protect, defend, indemnify and save harmless the Tenant, its officers, employees, agents, and assignees of the Tenant's interest under this Lease and in the Demised Premises from and against any and all losses, damages, costs, expenses (including

reasonable attorneys' fees), liabilities, claims, demands, and/or causes of action of any nature whatsoever, and any expenses incidental to the defense thereof suffered by or asserted against Tenant and arising out of: (i) any occurrence on the Demised Premises (unless caused by the negligence of the Tenant, its agents, employees and contractors, or the material default of Tenant in the performance of any of its obligations under this Lease), (ii) any condition, maintenance or repair of the Demised Premises which is the responsibility of Landlord, (iii) failure of the Landlord to materially comply with this Lease.

For purposes of this Article, an assignment shall include any direct or indirect transfer of fifty (50%) percent or more of the stock of the Tenant if the Tenant is a corporation (other than a corporation whose stock is publicly traded on a recognized stock exchange), or fifty (50%) percent or more of the equitable or other interests of the Tenant if the Tenant is a partnership, individual, or other non-corporate entity.

11.02 LEASE UNAFFECTED: No assignment or subletting of the Demised Premises or other transfer of the Tenant's interest in this Lease (if, as and when same are approved by the Landlord) shall in any way affect the terms, conditions, covenants, agreements and provisions of this Lease, nor shall the Tenant be relieved thereby of the primary obligation to perform the duties, obligations and responsibilities of the Tenant under this Lease.

11.03 FURTHER ASSIGNMENT OR SUBLETTING: Notwithstanding anything to the contrary contained herein, and notwithstanding any prior consent by the Landlord, no sublessee or assignee shall further sublet the Demised Premises, or any portion thereof, or assign this Lease or any portion thereof, without the prior written consent of the Landlord in each instance, and without compliance with the provisions of this Article 11.

11.04 TENANT BOUND: If the Tenant shall assign or sublet the Demised Premises or any part thereof with the consent of the Landlord, the receipt and acceptance of any Rent or other sums from another party by the Landlord, or the Landlord's consent to or acquiescence in the doing of any act or performance of any covenant or condition by such other party in the place of Tenant, shall not be construed or interpreted as a release of the Tenant from the covenants herein contained or a waiver of any of the Landlord's rights and remedies hereunder. The payment of rent or performance of covenants by such other party shall be construed and interpreted as performance by an agent for and on behalf of the Tenant, and the Tenant shall continue to be liable under this Lease. Tenant shall be responsible to pay Landlord, on demand, all expenses, including, but not limited to, reasonable counsel fees, incurred by Landlord in connection with any request initiated by Tenant pursuant to ARTICLE 11 of this Lease.

Upon such surrender, all of Tenant's right, title and interest in and to the Demised Premises shall cease.

12.02 TRADE FIXTURES AND IMPROVEMENTS: Subject to Tenant's right from time to time to remove its personal property and trade fixtures from the Demised Premises as hereinbefore provided, upon the expiration or termination of this Lease, all of Tenant's trade fixtures, personalty and improvements remaining on the Demised Premises shall be deemed to have been abandoned by the Tenant and may be appropriated by Landlord to be disposed of as Landlord in its sole discretion may see fit, without any obligation on the part of the Landlord to compensate Tenant or to otherwise account therefor. Upon demand of the Landlord, the Tenant shall be obligated to reimburse the Landlord for any reasonable costs incurred by the Landlord with regard to such disposition.

12.03 PAYMENTS AFTER TERMINATION: No payment made by the Tenant to the Landlord after the expiration or termination of this Lease shall be deemed to reinstate, continue, extend this Lease or render ineffective any notice given by the Landlord to the Tenant prior to the payment of such money. After the service of notice of cancellation or after the commencement of suit or after final judgment granting Landlord possession of the Demised Premises, the Landlord may receive and collect any monies which are due under this Lease and the payment thereof shall not render ineffective any notice or affect any pending lawsuit or any judgment theretofore obtained.

ARTICLE 13 - HOLDING OVER

13.01 MONTH TO MONTH TENANCY: If, with the prior written consent of the Landlord, the Tenant shall remain in possession of the Demised Premises after the expiration or termination of this Lease, the Tenant shall be a tenant from month to month only. The Rent to be paid by the Tenant shall be determined in accordance with Article 3; provided, however the Annual Fixed Minimum Rent shall equal one hundred and ten (110%) percent of the Annual Fixed Minimum Rent in effect for the immediately preceding Lease Year, including any Extension Period, and such month to month tenancy may be terminated either by the Landlord or the Tenant on the last day of any calendar month upon the delivery of not less than thirty (30) days advance written notice of termination by either party to the other.

13.02 CONTINUANCE OF OBLIGATIONS: Except as provided in Section 13.01 hereof, in the event that the Tenant shall become a tenant from month to month, all terms, covenants and conditions of this Lease shall apply, except for any right to extend the term of the month to month tenancy. There shall be reserved to the Landlord the right of re-entry or eviction without waiver of such right by the Landlord in either instance.

ARTICLE 14 - EMINENT DOMAIN

14.01 EMINENT DOMAIN: If any of the floor area of the Demised Premises should be taken for any public or quasi-public use under any law, ordinance or regulation or by right of eminent domain or sold under the threat of condemnation, this lease shall terminate and the Rent shall be abated during the unexpired portion of this Lease, effective on the date physical possession is taken by the condemning authority.

If any part of the Common Areas should be taken or sold as aforesaid, this Lease shall not terminate, nor shall the Rent payable hereunder be reduced, except that either Landlord or Tenant may terminate this Lease if the area of the Common Areas remaining following such taking, plus any additional parking area provided by Landlord in reasonable proximity to the Shopping Center, shall be less than seventy percent (70%) of the area of the Common Areas immediately prior to the taking. Any election to terminate this Lease in accordance with this provision shall be evidenced by written notice of termination delivered to the other party at least thirty (30) days prior to the date physical possession of the affected property is taken by the condemning authority. The effective date of any such termination shall be the date physical possession of the affected property is taken by the condemning authority.

All compensation awarded for any taking of the Demised Premises or the Common Areas or a transfer in lieu thereof shall be the property of Landlord, and Tenant hereby assigns its interest in any such award to Landlord; provided, however, Landlord shall have no interest in any award made to Tenant

for Tenant's moving and relocation expenses or for the loss of Tenant's fixtures and other tangible personal property if a separate award for such items are made to Tenant.

ARTICLE 15 - DAMAGE BY FIRE OR CASUALTY

15.01 Tenant shall give immediate written notice to Landlord of any damage caused to the Demised Premises by fire or other casualty. In the event that the Demised Premises shall be damaged or destroyed by fire or other casualty insurable under standard fire and extended coverage insurance and Landlord does not elect to terminate this Lease as hereinafter provided, Landlord shall proceed with reasonable diligence and at its sole cost and expense to rebuild and repair the Demised Premises. In the event: (a) the Building is destroyed or substantially damaged by a casualty not covered by Landlord's insurance; or (b) the Building shall be destroyed or rendered untenable to an extent in excess of fifty percent (50%) of the first floor area by a casualty covered by Landlord's insurance; or (c) the holder of a mortgage, deed of trust or other lien on the Demised Premises at the time of the casualty elects pursuant to such mortgage, deed of trust or other lien, to require the use of all or part of Landlord's insurance proceeds in satisfaction of all or part of the indebtedness secured by the mortgage, deed of trust or other lien, then Landlord may elect either to terminate this lease or to proceed to rebuild and repair the Demised Premises. Landlord shall give written notice to Tenant of such election within sixty (60) days after the occurrence of such casualty and if it elects to rebuild and repair shall proceed to do so with reasonable diligence and at its sole cost and expense. Landlord's obligation to rebuild and repair under this Article shall in any event be limited to restoring the Demised Premises to substantially the condition in which the same existed prior to such casualty, exclusive of any alteration, improvements, fixtures, personal property and/or equipment installed by Tenant. Tenant agrees that during any period of reconstruction or repair of the Demised Premises it will continue to use the Demised Premises to the extent practicable. During the period from the occurrence of the casualty until Landlord's repairs are completed, the Annual Fixed Minimum Rent shall be reduced to such extent as may be fair and reasonable under the circumstances; however, there shall be no abatement of other charges or rents provided for herein.

ARTICLE 16 - TRANSFERS BY LANDLORD

16.01 **SALE:** Landlord may at any time during the Initial Term and any Extension Period of this Lease sell, convey, assign or otherwise deal with the Shopping Center subject however to the rights of the Tenant under this Lease.

16.02 **EFFECT OF SALE:** Any sale, assignment or conveyance of the Shopping Center shall release the Landlord from any liability after the effective date of such transaction as to all of the terms, covenants and conditions of this Lease, and, thereafter, the Tenant shall look solely to the Landlord's successor in title. No sale, assignment or conveyance by the Landlord shall affect this Lease and Tenant agrees to attorn to the Landlord's successor in title.

16.03 **SUBORDINATION:** Tenant will subordinate its rights hereunder in this Lease to any mortgage or mortgages, deed of trust or deeds of trust or the lien resulting from any other method of financing or refinancing, now or hereafter in force against the Demised Premises or Shopping Center; provided, however, such mortgagee shall recognize the validity and continuance of this Lease in the event of a foreclosure of the Landlord's interest, as long as the Tenant shall not be in default under the terms of this Lease. Tenant agrees to execute and deliver to Landlord, within twenty (20) days after receipt thereof, any subordination agreement prepared with respect to a particular mortgage, deed of trust or other lien. Tenant's failure to timely deliver such agreement shall constitute an Event of Default under this Lease.

Tenant shall attorn to any party succeeding to Landlord's interest in the Demised Premises, whether by purchase, foreclosure, deed in lieu of foreclosure, power of sale, termination of lease, or

otherwise, upon such party's request, and shall execute such agreements confirming such attornment as such party may reasonably request.

Tenant shall not seek to enforce any remedy it may have for any default on the part of the Landlord without first giving written notice by certified mail, return receipt requested, specifying the default in reasonable detail, to any mortgagee holding a lien on any part of the Shopping Center whose address has been given to Tenant, and affording such mortgagee a reasonable opportunity to perform Landlord's obligations hereunder.

ARTICLE 17 - NOTICES

17.01 **SERVICE OF NOTICE:** Any notices given pursuant to the Lease shall be deemed served effective: (i) upon actual delivery, if personally delivered, (ii) the day following delivery to Federal Express or other similar courier service, marked for next day delivery, addressed as set forth below, (iii) upon receipt if sent by registered or certified mail, return receipt requested, addressed as set forth below, or (iv) upon being sent by facsimile transmission, provided an original is mailed the same day by regular U.S. Mail, addressed as set forth below. ARTICLE 18 - ESTOPPEL CERTIFICATE

18.01 CONTENTS OF CERTIFICATE: Within ten days following written request which the Landlord may make from time to time, the Tenant shall execute and deliver to the Landlord or to any prospective landlord or mortgagee, a sworn statement certifying:

- (a) The date of commencement of the Lease;

The Landlord and Tenant intend that the statement delivered pursuant to this Article may be relied upon by any mortgagee, purchaser, or successor in interest to the Landlord. Tenant hereby irrevocably appoints the Landlord as attorney in fact for the Tenant with the full power and authority to execute and deliver in the name of the Tenant such estoppel certificate if the Tenant fails to timely deliver same.

ARTICLE 19- DEFAULT

19.01 INTEREST AND COSTS: Any installments of Rent or other sum required to be paid by Tenant to Landlord which is not paid within fourteen (14) days following the date on which such sum is due, shall bear interest from the due date until the same shall be paid at the lesser of (a) twelve (12%) percent per annum, or (b) the maximum rate of interest permitted by applicable law, and Tenant shall be required to pay a late charge equal to five (5%) percent of the amount due to compensate Landlord for its administrative costs with respect thereto.

19.02 DEFAULT: If default shall be made in the payment of any Rent, or if Tenant shall default in performance of any other covenant or condition of this Lease, and if Tenant shall continue in default of the payment of Rent for a period of ten (10) days after Landlord has given Tenant written notice specifying the Rent due, or shall continue in default of any other covenant or condition of this Lease for a period of thirty (30) days after Landlord has given Tenant written notice of the existence of such default (or if more than thirty (30) days are required to correct, with reasonable diligence, the matters complained of in said notice and Tenant shall fail within said thirty (30) day period to commence the same and thereafter prosecute the same to completion with reasonable diligence), or if any Event of Default described elsewhere in this Lease shall occur, Landlord shall, at its election, have the right to terminate this Lease and, with or without terminating this Lease, have immediate possession of the Demised Premises, without waiving or relinquishing any claim for Rent or damages then due or to become due thereafter, and Tenant shall remain liable as hereinafter provided. In such event Landlord, without prejudice to any other right or remedy which it may have hereunder or by law, may re-enter the Demised Premises either by force or otherwise, or dispossess Tenant, any legal representative of Tenant or other occupant of the Demised Premises by appropriate suit, action or proceeding, and remove its effects and hold the Demised Premises as if this Lease had not been made. Notwithstanding that Landlord may elect to terminate this lease, and during the full period which would otherwise have constituted the balance of the Initial Term or any Extension Period of this Lease, Tenant shall continue to be liable for the performance of all the covenants of Tenant under this Lease including, without limitation, Tenant's covenant to pay the full amount of Rent reserved hereunder and Landlord, at its option, may rent the Demised Premises for a term, or terms, which may be shorter or longer than the balance of the Initial Term hereof, in which event or events Landlord shall apply any moneys collected first to the expense of

resuming or obtaining possession of and reletting the Leased Premise and second to the payment of the Rent due and to become due to Landlord hereunder, and Tenant shall be and remain liable for any deficiency. Should Landlord fail to exercise any remedy it may have for default of Tenant, such failure shall not be deemed to be a waiver of Landlord's rights to exercise such remedy for such default at a later time or for subsequent defaults, or otherwise to insist upon strict compliance with the terms hereof.

19.03 **BANKRUPTCY:** It is understood and agreed that this is a "lease for real property in a shopping center" as such term is used in Section 365(b)(3) of the Bankruptcy Code, 11 U.S.C., Section 101, et seq. Nothing contained herein shall be deemed in any manner to limit Landlord's rights and remedies under the Bankruptcy Code, as presently existing or as may be hereinafter amended, and neither Tenant's interest in this Lease nor in any estate created hereby shall pass to any trustee, receiver, assignee for the benefit of creditors, or otherwise, except as may be specifically provided therein.

ARTICLE 20 - MISCELLANEOUS

20.01 **RELATIONSHIP OF THE PARTIES:** Nothing in this Lease shall create any relationship between the parties other than that of Landlord and Tenant. Landlord does not in any way or for any purpose become a partner of the Tenant in the conduct of its business.

20.02 **APPLICABLE LAW AND CONSTRUCTION:** This Lease shall be governed by and construed under the laws of the State in which the Shopping Center is located. The captions of the Articles and Sections of this Lease are included for convenience only and shall have no effect on the construction or interpretation of this Lease.

20.03 **ENTIRE AGREEMENT:** This Lease and the exhibits hereto annexed constitute the entire agreement between the parties and supersedes any previous negotiations. There have been no representations or warranties made by the Landlord or understandings between the parties other than those set forth in this Lease and its exhibits. This Lease may not be modified, amended, or supplemented except by a written instrument duly executed by Landlord and Tenant,

20.04 **NO PERSONAL LIABILITY:** The obligations of the Landlord hereunder do not constitute personal obligations of the individual partners, directors, officers, agents, members or shareholders of the Landlord. In no event shall the Landlord be liable for any inconvenience, disturbance, loss of business, loss of use of the Demised Premises, or any consequential, speculative or punitive damages which the Tenant may suffer.

20.05 **NO IMPLIED WAIVER:** No provision of this Lease shall be deemed to have been waived by the Landlord unless such waiver is in writing and signed by the Landlord. Landlord's waiver of a breach of any term or provision of this Lease shall not prevent a subsequent act which would have originally constituted a breach from having the force and effect of an original breach.

20.06 **BROKERAGE:** The Tenant warrants that it has had no dealings with any broker or agent in connection with this Lease. The Landlord acknowledges and warrants that it will pay all brokerage commissions associated with this Lease agreement, except as otherwise provided in Section 2.02.

20.07 **RECORDATION:** Tenant shall not record this Lease or any memorandum hereof without the prior written consent of the Landlord. In the event that the Tenant shall record this Lease, or any memorandum hereof, without the prior written consent of the Landlord, it shall be deemed to be an Event of Default under this Lease.

20.08 **WAIVER OF TRIAL BY JURY:** Both Landlord and Tenant hereby waive trial by jury in any action, proceeding or claim which may be maintained by one against the other relative to any matter under this Lease. Such waiver shall survive the termination of this Lease. \

20.09 ATTORNEY'S FEES: In the event that the Landlord shall engage the services of an attorney to commence a suit or to take other action for breach of this Lease or to enforce any of the provisions hereof, the Landlord shall be entitled to recover from the Tenant such reasonable attorney's fees, costs and expenses as the Landlord may incur in the prosecution thereof, provided that the Landlord is the prevailing party or is determined to have rightfully sought to enforce Landlord's rights under this Lease.

20.10 SEVERABILITY: All of the provisions of this Lease are to be construed as covenants and agreements as though the words importing such covenants and agreements were used in each separate Article hereof. If any portion of any term or provision of this Lease, or the application thereof to any persons or circumstances, shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term or provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

20.11 FORCE MAJEURE: This Section shall apply in the event that if at any time during the Initial Term or any Extension Period of this Lease or prior to the Commencement Date hereof there shall occur one or more strikes, lockouts or labor disputes or there shall be an inability on the part of either party to obtain labor or materials or there shall occur any act of God, or action by governmental authority or whether there be war, insurrection, civil disobedience, fire or other casualty, or any event not specifically mentioned which impairs the ability of either party to perform according to the terms of this Lease. In the event any of the foregoing shall occur which results in the inability of either the Landlord or the Tenant to timely perform any obligation which it is required to perform under this Lease, then such non-performance shall be excused and shall not be a breach of this Lease by the party failing to so perform, but only to the extent occasioned by such event.

Any non-performance by either party hereto which occurs for any reason above stated shall extend performance under this Lease for that period of time which the party who was obligated to perform was disabled from so performing and this Lease shall be extended, accordingly, for such period of time.

The above to the contrary notwithstanding, the provisions of this Section shall not be applicable to determining the Commencement Date under this Lease nor shall this Section in any way apply to the obligation of the Tenant to pay Rent, or any other costs or charges which may be an obligation of the Tenant hereunder.

20.12 CASH BASIS AND BUDGET LAWS: It is the intent of the parties that the provisions of this Lease are not intended to violate the Kansas Cash Basis Law (K.S.A. 10-1101, et seq.) (the "Cash Basis Law") or the Kansas Budget Law (K.S.A. 79-2925) (the "Budget Law"). Therefore, notwithstanding anything to the contrary herein contained, the Tenant's obligations under this Lease are to be construed in a manner that assures that the Tenant is at all times not in violation of the Cash Basis Law or the Budget Law. Additionally:

- a. Tenant is obligated only to pay periodic payments or monthly installments as may be legally paid from either:
 1. funds budgeted and appropriated for that purpose during Tenant's current budget year; or
 2. funds made available from any lawful operated revenue producing source.
- b. Tenant does not guarantee that unbudgeted funds will be made available for the payment of the above referenced obligations. In the event such funds are not budgeted, then this Lease shall terminate effective June 30 of the year in which such budget is approved and Tenant shall not be obligated to pay any further amounts

hereunder which accrue on or after July 1 of the year immediately following the year in which such budget was approved. Tenant agrees to use good faith efforts in securing the availability of future funding for Tenant's obligations under this Lease which, but for this Section, would become due and payable by Tenant under this Lease.

20.13 NOTICE TO MORTGAGEES: If any mortgagee shall notify Tenant that it is the holder of a mortgage affecting the Shopping Center, no notice, request or demand thereafter sent by Tenant to Landlord shall be effective unless and until a copy of the same shall also be sent to such mortgagee in the manner provided for the giving of notice herein and to such address as such mortgagee shall designate.

20.14 BINDING EFFECT: This Lease shall extend to and be binding upon the parties hereto, their heirs, executors, successors, personal representatives, successors and permitted assigns. Each covenant, agreement or obligation or any other provision herein contained shall be deemed as a separate and independent covenant or obligation of the party charged therewith and no such covenant, agreement or obligation shall be dependent upon any other provision herein unless otherwise expressly provided.

20.15 SURVIVAL: The obligations, duties and liability of the Tenant during the Initial Term and any Extension Period hereof, or while Tenant occupies or controls the Demised Premises, shall survive the expiration or earlier termination of this Lease.

20.16 REMEDIES CUMULATIVE: No reference to any specific right or remedy shall preclude Landlord from exercising any right or having any other remedy, or from maintaining any action to which it may otherwise be entitled at law or in equity.
