PRESERVATION ACT (K.S.A. 45-404(d))**

WHEREAS, the Government Records Preservation Act (K.S.A. 45-404(d)) authorizes this Board of Sedgwick County Commissioners to order disposition by transfer of any noncurrent county government records; and

WHEREAS, the County Manager holds in storage certain county government records which total four boxes for the period 1992-2009 and consist of correspondence; and

WHEREAS, the County Manager has determined that these records shall be transferred to the Wichita State University Special Collections for preservation, retention and to be made available for research; and

WHEREAS, the County Manager, as custodian for the named records, requests that this Board of Sedgwick County Commissioners order the transfer of these records as part of the normal conduct of business; and

WHEREAS, the Records Manager confirms that the county government records proposed for disposal by transfer by the County Manager are eligible for disposal, consistent with current State records retention schedules maintained by the Kansas State Historical Society; and

WHEREAS, the County Counselor states that the records proposed for transfer have no known current or prospective value for representing Sedgwick County's legal position or interests; and

WHEREAS, the Records Manager recommends that the records proposed for disposal be transferred, based upon a finding that their lack of current or prospective administrative and legal value does not merit continuing to incur ongoing expense to retain them by Sedgwick County.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF SEDGWICK COUNTY, KANSAS, that the noncurrent county government records named in this resolution are hereby ordered disposed by transfer to Wichita State University Special Collections, their custodian and the Records Manager are directed to implement their prompt transfer.
