

DEVELOPMENTAL DISABILITY SERVICE AGREEMENT

This Agreement, entered into as of this _____ day of _____, 2015, by and between Sedgwick County, Kansas, acting as the State of Kansas appointed Community Developmental Disability Organization, referred to as "County" or "Sedgwick County Developmental Disability Organization" or "SCDDO," and, Home Technology Solutions, Inc., referred to as "the Community Service Provider" or "CSP" or "Contractor," to provide services to eligible persons in compliance with the Developmental Disabilities Reform Act, K.S.A. 39-1801 et seq., and its implementing regulations (collectively "the DD Reform Act").

I. Purpose: Through this agreement, the parties desire to set out their respective obligations as SCDDO and CSP regarding the services to be provided and the use of funds that are accessible as reimbursement for these services because of the contractual relationship between the parties. Consistent with K.S.A. 39-1809, however, nothing in this agreement constitutes an entitlement to services. This agreement is a sub-contract to the agreement entered into as provided in the DD Reform Act between the Kansas Department for Aging and Disability Services "KDADS" and SCDDO (the KDADS and SCDDO contract). As a sub-contract of the KDADS and SCDDO contract, this agreement conveys all requirements pertaining to funds utilization and service expectations to the CSP.

II. Term: This agreement shall apply to services provided on or after September 1, 2015. The agreement will remain in effect through August 31, 2016 unless terminated as provided within this agreement. This agreement may continue for a reasonable time after August 31, 2016, if both parties agree to continue operating under the terms of this agreement while they are actively negotiating terms of a new agreement.

III. Termination: CSP may terminate this agreement after giving SCDDO at least 90 days written notice or a mutually agreed upon time for successful transition to new services of all people served. SCDDO may terminate this agreement as provided in K.A.R. 30-64-22(f)(1-3). This agreement will be terminated automatically or may be amended by both parties if CSP fails to maintain any licenses, certifications, Medicaid Provider Agreements, or KanCare Managed Care Organization (MCO) contracts that may be required by law or regulation in order to provide the services that CSP is to deliver under this agreement.

IV. Scope: The CSP shall perform in a satisfactory and proper manner, as determined by SCDDO, the purpose, goals and objectives necessary to accomplish this contract as they are specified herein.

V. Definitions and Incorporation of Appendices: For the purpose of this agreement, the definitions and requirements in K.S.A. 39-1801 et seq., K.A.R. 30-63-01 et seq., K.A.R. 30-64-01 et seq. and KDADS and SCDDO Contract appendices and KDADS policies apply to both SCDDO and CSP and by reference are part of this agreement. Appendix A - General Contractual Provisions, Appendix B - Service Expectations, Appendix C - Community Service Capacity Assurance and Crisis Plan are attached hereto and are incorporated in this agreement.

VI. Authorized Intellectual and Developmental Disability (I/DD) Services: SCDDO hereby agrees the Community Service Provider is authorized to provide and request reimbursement directly from SCDDO, MCO or the Medicaid intermediary for the following program services:

Contractor assures it possesses legal authority to contract these services; that resolution, motion or similar action has been duly adopted or passed as an official act of Contractor's governing body, authorizing the signing of this contract, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of Contractor to act in connection with the application and to provide such additional information as may be required.

B. Required Documentation. Domestic corporations shall furnish evidence of good standing in the form of a Certificate signed by the Kansas Secretary of State.

II. ASSIGNMENT

Neither this contract nor any rights or obligations hereunder shall be assigned or otherwise transferred by either party without the prior written consent of the other.

III. SUBCONTRACTING

None of the work or services covered by this contract shall be subcontracted without the prior written approval of County. All approved subcontracts must conform to applicable requirements set forth in this contract and in its appendices, exhibits and amendments, if any. For purposes of this agreement, work or services will be limited to the services defined in the current SCDDO/KDADS contract definitions, abbreviations, and related terms.

IV. INDEPENDENT CONTRACTOR RELATIONSHIP

It is agreed that the legal relationship between Contractor and County is of a contractual nature. Both parties assert and believe that Contractor is acting as an independent contractor in providing the services and performing the duties required by County hereunder. Contractor is at all times acting as an independent contractor and not as an officer, agent, or employee of County. As an independent contractor, Contractor, and employees of Contractor, will not be within the protection or coverage of County's worker's compensation insurance, nor shall Contractor, and employees of Contractor, be entitled to any current or future benefits provided to employees of County. Further, County shall not be responsible for withholding of social security, federal, and/or state income tax, or unemployment compensation from payments made by County to Contractor.

V. PROHIBITION OF CONFLICTS OF INTEREST

A. Interest of Public Officials and Others. No officer or employee of County, no member of its governing body, and no other public official who exercises any functions or responsibilities in the

B. Interest of Contractor. Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this contract or conflict with the prohibitions in 42 CFR 441.301.

C. Employee Conflicts. Situations in which 1) an employee of the County shall also be an employee of Contractor at time of agreement, 2) an employee of Contractor seeks additional/alternate employment with County during pendency of agreement, or 3) an employee of County seeks additional/alternate employment with Contractor during pendency of agreement, shall require written notice to the County at the addresses listed in Section XXI (Twenty-one) below. The County shall make every effort to assure that such employees do not have any authority to approve 1) grant funds, 2) agreements, or 3) affiliate status to the Contractor or Contractor's competitors.

D. Notice to Bidders. Requests for proposal or invitations for bid issued by Contractor to implement this contract will provide notice to prospective bidders that County's conflict of interest provision is applicable in that contractors who develop or draft specifications, requirements, statements of work and/or RFP's for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award of such procurement.

VI. HANDICAPPED ACCESSIBILITY

A. Contractor will comply with the Rehabilitation Act of 1973, as amended, Section 504, which prohibits discrimination against persons with disabilities in employment services, participation and access to all programs receiving federal financial assistance. Contractor shall also comply with applicable requirements of the Americans With Disabilities Act (ADA) which is a federal anti-discrimination statute designed to remove barriers which prevent qualified individuals with disabilities from enjoying equal treatment by state and local governments and their agencies in employment practices and accessibility in public services and programs.

VII. EQUAL OPPORTUNITY AND AFFIRMATIVE ACTION

deemed to have breached the present contract and it may be canceled, terminated or suspended, in whole or in part, by the contracting agency;

D. if contractor is found guilty of a violation of the Kansas act against discrimination under a decision or order of the commission which has become final, Contractor shall be deemed to have breached this contract and it may be canceled, terminated or suspended, in whole or in part by the contracting agency; and

E. contractor shall include the provisions of subsections (A) through (D) in every subcontract or purchase order so that such provisions will be binding upon such subcontractor or vendor.

VIII. PERSONNEL

A. Qualified Personnel. Contractor represents that it has, or shall secure at its own expense, all personnel required in performing the services under this contract. All personnel engaged in the work shall be fully qualified according to the laws of the State of Kansas and the provisions of this contract.

B. Employee Conflict of Interest. Contractor will establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties.

C. Contractor's Safeguard. The parties to this agreement recognize that entities or persons providing government-funded services to the public are the subject of public scrutiny. Consequently, by entering into this agreement Contractor assumes an affirmative and ongoing duty during the pendency of this contract to maintain compliance with requirements set forth in subsection (D) below. Such compliance requires the use of criminal or other legal background checks upon personnel or agents providing services pursuant to this agreement, or administering the funds conveyed under this agreement.

D. Participant Safeguard.

1. Contractor certifies that background checks will be maintained for all employees, subcontractors and individuals providing direct services (APS, CPS, KDHE – Abuse, Neglect and Exploitation, and KBI) and driving record checks for all individuals who transport clients consistent with KDADS policy.

Exceptions to this requirement may be considered on a case-by-case basis and must be preapproved by the SCDDO Director; however, per KAR 30-63-28, no exceptions can be made for individuals known to have had a conviction for or a prior employment history of abuse, neglect or exploitation of children or vulnerable adults.

5. In addition to required background checks at the time of hire, contractor will maintain appropriate written policies and/or procedures sufficient to ensure employees continue to meet the standards required to provide direct service, this may include follow-up background checks or other method to meet the requirement. Contractor shall not be held accountable for cases in which diversions or deferred judgments are not reflected in an individual’s criminal record, or for expunged convictions, if CSP would have no other reasonable way of knowing of these acts.

8. It is understood that this contract may be revoked at the discretion of the County if the Contractor is in violation of Subsection (D). No penalty will be assessed to the County for revocation of this agreement in the event of a breach of any portion of Appendix A, Section VIII.

The right of the County to enter into this Agreement is subject to the provisions of the Cash Basis Law (K.S.A. 10-1112 and 10-1113), the Budget Law (K.S.A. 79-2935), and other laws of the State of Kansas. This Agreement shall be construed and interpreted so as to ensure that the County shall at all times stay in conformity with such laws, and as a condition of this Agreement the County reserves the right to unilaterally sever, modify, or terminate this Agreement at any time if, in the opinion of its legal counsel, the Agreement may be deemed to violate the terms of such laws.

CSP understands and agrees that it is subject to a financial penalty if the data provided by CSP results in an inaccurate or incomplete functional assessment and a recoupment is levied against SCDDO by KDADS. The financial penalty shall be equal to the amount of the recoupment levied against SCDDO if CSP data was the only reason for the inaccurate/incomplete finding; the penalty amount shall be prorated if CSP data was not the only reason for the finding. SCDDO will not penalize CSP if the reason for the recoupment results from an error on the part of the SCDDO.

B. Contract Compliance

Should the CSP fail to maintain compliance with this agreement or any state or Federal Statute or Regulation incorporated by reference, the CSP shall be informed in writing of any and all deficiencies of the CSP in the provision of services, or in any other way failing to comply with this agreement. The CSP shall have thirty (30) days--or less time if the health and safety of persons served may warrant--to address with a corrective plan or resolve any deficiency as specified in the official notification. Should the CSP fail in this responsibility, SCDDO may take any or all of the following actions:

1. Place the Contractor on probationary status for a specified amount of time during which it is expected the Contractor will take immediate action to correct the deficiencies. During the probationary period the Contractor may not accept new referrals.

The parties will share equally in the costs of the dispute resolution.
- D. After utilizing dispute resolution, the CSP may file an appeal with the Office of Administrative Hearings, Department of Administration.
- E. Any CSP that loses its license to provide services will no longer be provided funds identified in this agreement for services and must cooperate with SCDDO in assisting the transition of persons to alternative service CSPs until all service needs are met.

XVIII. TERMINATION OF CONTRACT

Termination for Cause. If Contractor shall fail to fulfill in a timely and proper manner its obligations under this contract, or if Contractor shall violate any of the terms, covenants, conditions, or stipulations of this contract, County shall thereupon have the right to terminate this contract by promptly giving written notice to Contractor of such termination and specifying the reasons for the termination and the effective date thereof. A breach shall include, but not be limited to, failure to comply with any or all items contained in this contract and any appendices, exhibits or amendments thereto, if any.

In the event of termination, copies of such information prepared by Contractor to carry out this contract, including data, studies, surveys, records, and reports shall, at the option of County, be made available to the County within 10 working days. Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials.

Notwithstanding the above, Contractor shall not be relieved of liability to County by virtue of any breach of this contract by Contractor and County may withhold any payments to Contractor for the purpose of set off until such time as the exact amount of damages due County from Contractor are determined.

Should any term of this contract be declared by a court of competent jurisdiction to be invalid or unenforceable, the balance of all independent terms of this contract must be preserved unaffected, deemed valid and enforceable, and remain in full force and effect.

XIX. INDEMNIFICATION AGREEMENT

Both parties hereby expressly agree and covenant that they will hold and save harmless and indemnify the other party, its officers, agents, servants and employees from liability of any nature or kind connected with the

work to be performed hereunder arising out of any act or omission of such party or of any employee or agent of that party to the degree such indemnification is allowed by law.

XX. AMENDMENTS TO AGREEMENT

To provide necessary flexibility for the most effective execution of this contract, whenever both County and Contractor mutually agree, changes to this contract may be effected by placing them in written form and incorporating them into this contract. SCDDO and the Sedgwick County Board of Commissioners must approve any change that affects contract objectives or the scope of services to be provided.

Any alterations to this agreement will only be valid when they have been reduced to writing, duly signed and attached to the original of this agreement. This agreement shall be subject to renegotiation upon changes in federal or state laws or regulations to conform to any changes caused by amendments or revisions to those laws or regulations. Any change which affects contract objectives must be approved by SCDDO and the Sedgwick County Board of Commissioners.

DEVELOPMENTAL DISABILITY SERVICE AGREEMENT
APPENDIX B - SERVICE EXPECTATIONS

I. CONTINUITY OF SERVICE

Unless limitations in program capacity have previously been reported to the SCDDO Director in writing and an exception to service access has been approved by SCDDO, CSPs must serve persons for whom funding is available through this agreement. The CSP must offer and/or provide services consistent with the following requirements:

A. The CSP must provide services to new persons which are sufficient to meet their person-centered plan pursuant to K.A.R. 30-63-21.

B. New persons, including those selecting a new CSP through a provider change, must be served within an average of sixty (60) days from when CSP is notified it has been selected to provide services. Individuals who are referred to CSP to access services made necessary by an identified crisis or per the SCDDO's Community Crisis Plan are not subject to the 60-day average and should be provided the best available service option immediately to insure the individual's safety. The CSP will report to SCDDO any crisis placement that cannot be initiated within one week following referral for services so that other necessary courses of action can be explored.

The CSP must provide continuity of service for persons who choose to continue services and who move from one CDDO to another or from one CSP to another. Funds must be portable except when a person no longer needs services and/or voluntarily withdraws from services with no immediate foreseeable need for services.

C. Service Reduction.

The CSP must reach agreement with SCDDO a minimum of 90 days prior to implementation if it seeks to reduce or discontinue services affecting two or more clients. All planned reductions in service must be communicated in writing and/or represented in an amended affiliation agreement.

1. Should the CSP determine services funded pursuant to allocations in this agreement exceed the amount the person needs, the CSP should reduce the person's services either voluntarily or involuntarily. However, the CSP cannot reduce services involuntarily until the CSP:

- a. Has cooperated with SCDDO to establish procedures to determine when it is appropriate to reduce services to a person and then implements those procedures;
- b. Uses the Person Centered Planning pursuant to K.A.R. 30-63-21 to determine if reduced services will meet the person's needs;
- c. Identifies specifically how much service the person needs;
- d. Provides its determination in writing to the person or, if the person has a guardian, the person's guardian, at least 15 days before the reduction occurs; and
- e. Informs the person of the opportunity to have the determination reviewed through the dispute resolution process including final review by the Office of Administrative Hearings, Department of Administration. A request for dispute resolution must be filed within thirty (30) calendar days from the notice of the final determination of the reduction of services. No reduction of services will occur until the dispute resolution process and administrative hearings process have been completed.

D. Service Termination.

The CSP must notify SCDDO, the person served, the person's guardian, if one has been appointed, and a family member, if appropriate, at least 30 calendar days prior to the CSP permanently discharging a person receiving services funded through this agreement. A person cannot be terminated from services unless at least one of the following occurs:

1. The Secretary of KDADS determines a person to be inappropriate for community services based on a finding that the person presents a clear and present danger to self or others in the community;
2. A person who has available private funding fails to abide by a written service agreement with the CSP which specifies payment of any amount with private funding;
3. A person refuses to apply for Medicaid benefits;
4. All funding for the person allocated in this agreement is discontinued;
5. or the person voluntarily withdraws from services.

E. Placement of Persons Residing in State Mental Retardation Hospitals, State Mental Health Hospitals, or Private Intermediate Care Facilities that are Closing or Reducing Bed Capacity.

The CSP must develop support plans and funding requests for all persons who have chosen the CSP as a service provider, who are residing in state mental retardation and mental health hospitals and seeking community placement in the SCDDO service area within 120 days of the date the person becomes known to the CSP. KDADS will evaluate the support plans and funding requests, discuss them with SCDDO and CSP, and finalize support plans and funding requests that are agreeable to KDADS, SCDDO and the CSP. Once the funding plan has been approved, the CSP must serve or arrange to serve all persons for whom approval is provided. This provision does not include persons determined inappropriate for community services pursuant to K.A.R. 30-64-25.

F. Outreach and Transition Planning.

The CSP must cooperate with and assist SCDDO with outreach and transition planning procedures which identify, through the data collection system, the number of new persons who are likely to need services and what services they may likely need in the future. This activity may include: providing case management to persons anticipating services from the CSP, attendance at Individual Education Plan ("IEP") meetings and attendance at transition planning meetings.

II. **QUALITY ASSURANCE AND QUALITY ENHANCEMENT.**

The CSP must cooperate and assist SCDDO within specified timelines to ensure compliance with quality oversight requirements of K.A.R. 30-64-26 and K.A.R. 30-64-27.

The CSP will register with KDADS Adverse Incident Reporting (AIR) system. Each CSP will report critical incidents to SCDDO QA staff per SCDDO policy including abuse, neglect, and exploitation (ANE) reports, hospitalizations, police involvement, deaths of persons served, and others as defined by KDADS.

The CSP will comply with the Quality Assurance Committee expectations as established by SCDDO policy.

Each CSP will develop and submit a continuity of operations plan to include a list of emergency contacts.

III. PARTICIPANT INPUT

Contractors providing licensed services shall provide persons receiving services funded pursuant to this contract with an opportunity to assess and evaluate the program at least once during the contract term, unless such requirements are more specifically addressed elsewhere in this agreement or by statute.

A. State Aid Taxonomy.

State Aid funds will be distributed at the discretion of SCDDO and may be used for KDADS approved priority services; transportation, children's services, direct services and case management and as defined by KDADS service taxonomy. SCDDO may use State Aid to fund identified community needs through programs such as family support, incidental consumer supports, one time funds, and flex funds. State Aid funds are not portable to areas outside of Sedgwick County.

IV. I/DD CONSUMER SERVICES

In addition to state regulations and local policy, the following expectations apply to the specific services for which this affiliate agreement is valid:

A. Residential Services.

1. The CSP must ensure coordination exists for transportation. The CSP is not bound to provide the transportation, but rather to assure that affordable transportation is made available to the person served.
2. The CSP must maintain water temperature control in all locations where services are provided. Such controls will regulate water temperatures from exceeding 120 degrees Fahrenheit so that persons do not receive burns or burn-related injuries. Such equipment will be in operation prior to services being provided in any location. The type of control used will be determined by the assessment conducted as part of the person-centered planning process as described in K.A.R. 30-63-21.
3. In sites that are not owned or leased by the CSP and the person/guardian refuses to allow the CSP to install water temperature controls, a risk assessment will be submitted to SCDDO at the time of the person/guardian's initial refusal and annually.

5. Direct service professionals and/or their supervisors will have access to Relias Learning and be expected to complete training as assigned.

10. The CSP will advise SCDDO, upon discovery of any child residential placement in a KDHE licensed or approved resource home which involves more than two children who are not related by blood or marriage to the resource family.
11. The CSP must ensure all persons receiving services and supports through funds described in this agreement are residents of Kansas.
12. All person centered support plans (PCSP) will incorporate an employment first focus without regard to the significance of their disabilities. Other service options may be considered

when certain circumstances exist (e.g., the person makes an informed choice not to take part in community employment after receiving sufficient information and having sufficient community experience, or barriers exist to the person participating in community employment and all documented efforts cannot eliminate those barriers). If any option other than community employment is pursued, the process taken to obtain informed choice must be documented in the PCSP.

13. CSP will inform persons waiting for services and legal guardians of applicable selection procedures and of the person's position on the waiting list based on information provided by SCDDO or State of Kansas.

D. Assistive Services and/or Home Modification Services.

1. The CSP will complete quality work which meets specifications of the bid process.

Any request for authorization must be made prior to a third child being placed in the home.
