1. CHANGE ORDER #5 - JAIL MASTER CONTROL UPGRADES -- FACILITIES DEPARTMENT FUNDING -- UPDATE MASTER CONTROL AND RELATED PERIPHERALS (Change Order)

#15-2018

	Compton Construction Corporation
1. Additional suicide watch cameras in mental health pod.	\$4,606.00
2. Replacing 76 detention locksets and reworking 6 main slider doors in pods 2, 5 and 6. Current locks are 25 years old and are in need of replacement. (The old locks will be retained for salvage parts that will permit maintenance to be able to continue repairing the remaining original locks and get additional service life from them).	\$239,309.00
3. Adding local door control in Corridor N127.	\$6,051.00
4. Change lockset to add lever handles on the insides of the doors.	\$880.00
5. Change lockset to delete thumb turn on deadbolt and adding a cylinder so it is key access only.	\$319.00
6. Paint all mechanical registers black to match the ceiling color in Jail Master Control.	\$550.00
7. Replace 13 existing Security Cameras in the Medical Clinic that can be integrated into the new system. Current cameras are not compatible with the new Genetec software operating the DVRs.	\$17,905.00
Total Additional Cost	\$269,620.00
Total Additional Days	70 Days

On the recommendation of Kim Evans, on behalf of the Facilities Department, David Spears moved to **accept the change order with Compton Construction Corporation for \$269,620.00 and acknowledge contract completion date will be extended an additional 70 days for a new substantial completion date of August 5, 2015.** Linda Kizzire seconded the motion. The motion passed unanimously.

Note: The original purchase order 4300012840 is for \$5,522,586.00 and 480 days to substantial completion. Cumulative total for change orders 1-5 is \$363,088.80 and represents a 6.57% increase to the original contract. The contract completion date will be extended a total of 100 days (20.83%).

Question: Why wasn't this included in the original bid? Steve Claassen, Fleet, Facilities and Parks Director, stated that the original plan was to remove and save the locks from Pod 1 for reuse during this project. Many of those locks were damaged and unusable, requiring additional locks to be removed and repurposed.

Change Order #1
Door and frames in basement room deleted. Access flooring in Room A012 was deleted. CMU partition wall in Room C166A changed. Repair operations of 6 door openings. Food pass door and hardware deleted. Change camera type of Camera X-1. Added 30 days to construction phase services. Deduct: \$107.20
Change Order #2
Changes/modifications to proposed duct location, updating lock hardware and electrical modifications. Add: \$18,245.00.
Change Order #3
Additional access control cards, network cabling, replace fabric tack surfaces with solid surfaces and millwork. Add: \$52,496.00.
Change Order #4
Additional electrical cabling and additional security electronics. Add: \$22,835.00.

On the recommendation of Kim Evans, on behalf of various county departments, Linda Kizzire moved to **accept the best proposal from BIS, Inc. at the base pricing listed and execute a contract for one (1) year with two (2) one (1) year options to renew.** David Spears seconded the motion. The motion passed unanimously.

A review committee comprised of Greg Gann and Doug King-Division of Information and Operations, Georgia Cole-District Attorney's Office, Lorien Showalter-Budget and Kim Evans-Purchasing, reviewed the responses. Three vendors (ARC Document Solutions, BIS, Inc. and Business Technology Career Opportunities, Inc. dba BTCO, Inc.) were shortlisted based on cost, business processes, experience with type of work requested, and facility security procedures.

Greg Gann, Doug King and Kim Evans visited ARC Document Solutions, Inc. and BIS, Inc. Business Technology Career Opportunities, Inc. dba BTCO, Inc. was visited by Greg Gann and Kim Evans. During site visits with these vendors, sample files were provided to be processed and priced out utilizing the pricing submitted in the original proposal response. Tours were taken of each facility to gather information on business processes, security, and work efficiency. All sample files processed were received by the county to review for quality assurance. The team unanimously agreed that BIS, Inc. met the overall scope of the proposal and provided the best overall pricing.

Pricing is based on a sample set of files totaling 984 pages of basic indexing and Optical Character Recognition (OCR) . Pricing could vary based on several factors, including, but not limited to, document preparation (removal of clips, staples, post-its), complexity of indexing and requested OCR, large format files, and archival condition files.
