*Lot 21 Block P Turkey Creek 2nd Add*

I wish to state that I am opposed to any trucks parked next to the surrounding wall overnight with their motors running.

I also do not want smelly, fly infested, rodent attracting trash bins and smelly grease traps close to the surrounding wall. If you have every ventured behind a restaurant or grocery store on a hot day you would most definitely understand the odor. It is not at all pleasant to be able to enjoy your home and would certainly cut down on home appeal if you tried to put your home on the market.

Thank you for your consideration.
