Contractor assures it possesses legal authority to contract these services; that resolution, motion or similar action has been duly adopted or passed as an official act of Contractor's governing body, authorizing the signing of this contract, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of Contractor to act in connection with the application and to provide such additional information as may be required.

B. Required Documentation. Domestic (Kansas) corporations shall 1) furnish evidence of good standing in the form of a Certificate signed by the Kansas Secretary of State. Foreign (non-Kansas) corporations shall furnish evidence of authority to transact business in Kansas, in the form of a Certificate signed by the Kansas Secretary of State; and 2) a copy of the Corporation Resolution evidencing the authority to sign the Contract Documents, executed by the Corporation's Secretary or Assistant Secretary.

2. RELATIONSHIP of PARTIES.

It is agreed that the legal relationship between Provider and County is of a contractual nature. Both parties assert and believe that Provider is acting as an independent contractor in providing the services and performing the duties required by County hereunder. Provider is at all times acting as an independent contractor and not as an officer, agent, or employee of County. As an independent contractor, Provider, and employees of Provider, will not be within the protection or coverage of County's worker's compensation insurance, nor shall Provider, and employees of Provider, be entitled to any current or future benefits provided to employees of County. Further, County shall not be responsible for withholding of social security, federal, and/or state income tax, or unemployment compensation from payments made by County to Provider.

3. PERSONNEL.

A. Qualified Personnel. Contractor represents that it has, or shall secure at its own expense, all personnel required in performing the services under this contract. All personnel engaged in the work shall be fully qualified according to the laws of the State of Kansas and the provisions of this contract.

B. Minimum Wages. Contractor will comply with the minimum wage and maximum hours provisions of the Federal Fair Labor Standards Act.

C. Employee Conflict of Interest. Contractor shall establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties.

D. Contractor's Safeguard. The parties to this agreement recognize that entities or persons providing government-funded services to the public are the subject of public scrutiny. Consequently, by entering into this agreement Contractor assumes an affirmative and ongoing duty during the pendency of this contract to maintain compliance with requirements set forth in subsection E below. Such compliance requires the use of criminal or other legal background checks upon all personnel or agents providing services pursuant to this agreement, or administering the funds conveyed under this agreement.

E. Participant Safeguard. Contractor certifies that:

1) Persons convicted of any felony, drug or drug-related offense, crime of falsehood or dishonesty, crime of moral turpitude or crime against another person during the ten-year period concluding on the date of execution of this contract or during the pendency of this contract, or any individual who is known by provider to have had a prior employment history of abuse, neglect or exploitation of children or vulnerable adults, shall not be permitted to administer this contract or handle the funds conveyed under this contract;

2) Persons with convictions for crimes against persons, for crimes of moral turpitude, including, but not limited to, sex offenses and crimes against children, or any individual who is known by provider to have had a prior employment history of abuse, neglect or exploitation of children or vulnerable adults, shall not be permitted to provide services or interact in any way with persons served pursuant to this contract; and

3) Persons having been convicted of a serious driving offense, including but not limited to driving under the influence of alcohol or a controlled substance, during the five-year period concluding on the date of

execution of this contract, or during the pendency of this contract, shall not be permitted to operate a vehicle in which a person served pursuant to this contract is a passenger. For purposes of this section, "serious traffic offense" shall not include any offense deemed a "traffic infraction" under K.S.A. 8-2116 and 8-2118.

4) Any question concerning the interpretation of this subsection E and/or its application to an individual shall be referred to the Director of the Agency administering the funding of this agreement for the County. The Director's decision shall be final for purposes of compliance with this contract. The term "conviction" shall include convictions from any federal, state, local, military, or other court of competent jurisdiction, and shall include being placed into a diversion or deferred judgment program in lieu of prosecution. Provider shall not be held accountable for cases in which diversions or deferred judgments are not reflected in an individual's criminal record, or for expunged convictions, if Provider would have no other reasonable way of knowing of these acts.

F. It is understood that this contract may be revoked at the discretion of the County if Contractor is in violation of Subsection E.

No penalty shall be assessed to the County for revocation of this agreement in the event of a breach of any portion of Appendix A, Section 3.

4. PROHIBITION OF CONFLICTS OF INTEREST.

A. Interest of Public Officials and Others. No officer or employee of County, no member of its governing body, and no other public official who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of this project shall participate in any decision relating to this contract which affects such person's personal interest or the interest of any corporation, partnership, or association in which such person is directly or indirectly interested; nor shall any officer or employee of County or any member of its governing body or other public official have any interest, direct or indirect, in this contract or the proceeds thereof.

B. Interest of Contractor. Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this contract.

The County shall make every effort to assure that such employees do not have any authority to approve 1) grant funds, 2) agreements, or 3) affiliate status to the Contractor or Contractor's competitors.

D. Notice to Bidders. Requests for proposal or invitations for bid issued by Contractor to implement this contract will provide notice to prospective bidders that County's conflict of interest provision is applicable in that contractors who develop or draft specifications, requirements, statements of work and/or RFP's for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award of such procurement.

5. FUNDING.

A. Reprogramming of Funds. It is understood and agreed that in the event the amount of funds County actually receives from the County mill levy is less than anticipated, County may decrease the total compensation and reimbursement to be paid hereunder.

B. Inability to Perform Contract. It is further understood and agreed that in the event Contractor's rate of progress on this contract is leading to underspending due to inability to provide services at planned levels, County may decrease the total compensation and reimbursement to be paid hereunder or withdraw from the agreement.

C. Cash Basis and Budget Laws. The right of the County to enter into this Agreement is subject to the provisions of the Cash Basis Law (K.S.A. 10-1112 and 10-1113), the Budget Law (K.S.A. 79-2935), and other laws of the State of Kansas. This Agreement shall be construed and interpreted so as to ensure that the County shall at all times stay in conformity with such laws, and as a condition of this Agreement the County reserves the right to unilaterally sever, modify, or terminate this Agreement at any time if, in the opinion of its legal counsel, the Agreement may be deemed to violate the terms of such laws.

D. Non-Supplanting Existing Funds. Contractor assures that grant funds made available under County mill levy grants and administered under this contract will not be used to supplant existing funds or other funding sources, but will be used to increase the amounts of those other funding sources.

E. Unexpended funds. It is agreed by Contractor and County that upon termination or expiration of the contract, any unexpended funds shall be returned to County.

6. PROGRAM INCOME.

Contract-related program income, if generated, shall be collected by Contractor and reported to County on Contractor's quarterly reports, required in Section Seven (7) below. Program income includes, but is not limited to, income from fees for services performed, the use or rental of real or personal property acquired under the contract, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights. Interest earned on advances of County funds is not program income. Except as otherwise provided in County contract requirements, program income does not include the receipt of principal on loans, rebates, credits, discounts, etc, or interest earned on any of them. Unless otherwise stated in the contract, program income earned during this contract term shall be retained by Contractor and shall be added to funds committed to the project by County and Contractor and used to further eligible project or program objectives.
