B. Reinstatement occurs if an employee returns within 121 days up to and including the 121st day, since the effective date of separation.

- a. An employee may be reinstated at the same salary range, provided there is a vacant position at the same salary range, in the original department.
- b. If there is not a vacant position at the same salary range as the employee vacated, he/she must be willing to accept another position, if it becomes available, at the authorized salary.
- c. No probationary period will be required for an employee who returns to the same department.

d. All employees, with the exception of Classified Exempt employees, who are reinstated into another department will be placed on twelve (12) month probationary period.

e. Unused sick leave shall be credited to the reinstated employee.

C. Reinstatement requested by the Grievance Committee or County Manager:

In these cases, the one hundred twenty one (121) day period is not applicable and may be of any length.

D. Individuals returning to work under the Policy will be required to comply with the Policies, Procedures and Regulations set out in Policy 4.310 Drug Testing/Substance Abuse.
