

ITEMS REQUIRING BOCC APPROVAL

3 Items

**1. LEGAL RESEARCH SERVICES-DISTRICT ATTORNEY
FUNDING-DISTRICT ATTORNEY ADMINISTRATION**

(Request for Proposal sent to two vendors)

RFP 11-0173

	Westlaw	Lexis Nexis
First Year	\$32,268.00	\$29,700.00
Second Year	\$33,240.00	\$30,591.00
Third Year	\$34,236.00	\$31,508.73
Discount on Printed Materials	-\$19,255.05	N/A
Three year contract total	\$80,488.95	\$91,799.73

On the recommendation of Kimberly Evans, on behalf of the District Attorney, Jennifer Dombaugh moved to **accept the proposal from Westlaw for the amount of \$32,268.00 for the first year and establish contract pricing for years 2 and 3 for a total 3 year cost of \$80,488.95.** David Spears seconded the motion. The motion passed unanimously.

Westlaw and Lexis Nexis are the only two firms providing these types of legal research services in the country. Both vendors provided demonstrations to key stakeholders within the District Attorney's Office.

Westlaw offers the CJS module, which **is** not offered by Lexis Nexis. Also, along with the 3 year agreement, the District Attorney would receive a 50% discount on printed material already purchased through Thomson West. Currently there is about \$12,000.00 per year spent on printed materials.

Over the previous contract, the DA spent \$85,906.04 on these services.

The question was asked as to why the contract was not combined with the Legal department? The answer is that the two departments use different modules and have historically been on different renewal schedules. This issue will be addressed when the contract comes up for renewal again.

**2. 3M PRODUCTS & SUPPLIES for FLEET BODY SHOP -- FLEET MANAGEMENT
FUNDING -- FLEET MANAGEMENT**

(Request sent to 19 vendors)

			no bid	no bid	no bid	no bid

On the recommendation of Brandy McCune, on behalf of Fleet Management, Irene Hart moved to **accept the overall low bid from**

Sherwin Williams Automotive Finishes on pricing listed above and establish contract pricing for one (1) year with two (2) one year options to renew. Sara Jantz seconded the motion. The motion passed unanimously.

The Body Shop will order these products on an as needed basis and inventory items listed will not always be ordered together. The discount off of list price will be used for any additional supplies not listed, as the list above consists of the most commonly used products. The County spends approximately \$10,000.00 per year on these products. The overall low bid was determined by current 2011 usage.

Note: GT Midwest would not guarantee pricing for term of the contract.

The question was asked if 3M was the only supplier for these types of products? Crystal Hester with Fleet Management stated that there is another supplier for these products which Fleet has used on the previous contract but they have experienced problems with some of these products and find them of inferior quality when compared to the 3M products.
