

**ITEMS REQUIRING BOCC APPROVAL  
(9 ITEMS)**

**1. AT&T VESTA SUPPORT RENEWAL -- EMERGENCY COMMUNICATIONS  
FUNDING -- 911 TELEPHONE TAX  
(Hardware/Software Maintenance)**

#17-2006 S/C #8000101831

	<b>AT&amp;T Kansas</b>
Support Renewal 8/1/2016-6/1/2017	<b>\$173,752.08</b>

On the recommendation of Kimberly Bush, on behalf of Emergency Communications, Jennifer Dombaugh moved to **accept the quote from AT&T Kansas in the amount of \$173,752.08**. Tim Kaufman seconded the motion. The motion passed unanimously.

This is annual support on the hardware and software running the 911 dispatch system. Last year, the county spent \$208,502.50.

***Questions and Answers:***

Linda Kizzire asked: "Are the dates correct on the support renewal?"

Kimberly Bush answered: "Yes. It is being paid for this term and this term does end early because they are moving to a new phone system this summer. They are correct."

## BOARD OF BIDS AND CONTRACTS JANUARY 26, 2017

### **2. ANNUAL SUPPORT -- EMERGENCY COMMUNICATIONS/ITS FUNDING -- NETWORKING AND TELECOM/911 TELEPHONE TAX (Hardware/Software Maintenance)**

#17-2004 S/C #8000101519

1/10/2017-1/9/2019	<b>Emerson Network Power, Liebert Services, Inc.</b>
Maintenance and Support at 714 N Main	<b>\$67,959.86</b>
Maintenance and Support at 510 N Main	<b>\$66,904.88</b>
Maintenance and Support at 700 S Hydraulic	<b>\$3,481.92</b>
Grand Total	<b>\$138,346.66</b>

On the recommendation of Kimberly Bush, on behalf of ITS and Emergency Communications, Jennifer Dombaugh moved to **accept the quote from Emerson Network Power, Liebert Services, Inc. in the amount of \$138,346.66.** Tim Kaufman seconded the motion. The motion passed unanimously.

Emerson Network Power, Liebert Services Inc. is the provider of the equipment in use to provide electrical backup for all county IT equipment. This hardware includes UPSs (Uninterruptible Power Supplies), AHUs (Air Handler Units), PDUs (Power Distribution Units), and all critical components in protecting Sedgwick County data center equipment (switches, servers, SANs, etc).

This is for support for 2017 and 2018.

**3. AERIAL PHOTOGRAPHY -- GEOGRAPHIC INFORMATION SERVICES (GIS)**

**FUNDING -- GIS**

(Single Source)

#17-2000 Contract

	<b>The Atlantic Group, LLC</b>
Aerial Photography	<b>\$71,094.87</b>

On the recommendation of Kimberly Bush, on behalf of GIS, Tim Kaufman moved to **accept the quote from The Atlantic Group, LLC in the amount of \$71,094.87**. Jennifer Dombaugh seconded the motion. The motion passed unanimously.

Aerial photography is performed every three (3) years in partnership with the City of Wichita in order to maintain the accuracy of the GIS system. The photos are used to ensure new subdivisions, roads and other geographic features that have been introduced or changed since the previous photo flight are accurately reflected in the system. GIS uses this layer of photographic information as a base to accurately register and compile geographic features to the aerial photo itself. Several departments such as the Appraiser, Clerk, Public Works, Planning, MABCD, Sheriff and 911 utilize the data set as a means to plan, create data and communicate information.

***Questions and Answers:***

Linda Kizzire commented that a contract to Pictometry had recently been awarded for Oblique Imagery and she asked why GIS could not just use the same data for their needs.

John Rogers from GIS responded that these are two separate products. The Appraiser's Office requires imagery that is taken at a 45 degree angle so that the sides of buildings can be measured, among other functions and uses completely different software to utilize a different set of information. The imagery obtained by GIS is taken top down and used in different software for other purposes.

Tim Kaufman asked if the costs were split with the City of Wichita since the county is partnering with them on the project.

John Rogers stated that costs are split geographically and that the county is only paying for their portion.

David Spears asked if this project covered the LiDAR imagery, which takes into account elevations and contours.

John Rogers stated the same company would perform that work at a different date, using a different flight to gather LiDAR data.

**BOARD OF BIDS AND CONTRACTS JANUARY 26, 2017**

**4. CAPILLARY ELECTROPHORESIS INSTRUMENT (GENETIC ANALYZER) -- REGIONAL FORENSIC SCIENCE CENTER (RFSC)**  
**FUNDING -- FY2016 DNA CAPACITY ENHANCEMENT**

(Request sent to 26 vendors)

RFP #16-0066 S/C #80000101950

	<b>Life Technologies Corporation</b>	
Capillary Electrophoresis Instrument (Genetic Analyzer)	<b>\$99,600.00</b>	
No Bids	Phenomenex Inc	Dave Allert Co.

On the recommendation of Kara Kingsley, on behalf of the Regional Forensic Science Center, Linda Kizzire moved to **accept the bid from Life Technologies Corporation for a total amount of \$99,600.00**. Tim Kaufman seconded the motion. The motion passed unanimously.

The genetic analyzer is an instrument that produces genetic data from biological samples. Crime scene samples are analyzed, as are individuals believed to be involved in the case, and the data is then interpreted to determine who may or may not have deposited DNA at a crime scene.

Note:

RFSC will be trading in their existing model, 3130 genetic analyzer and will receive a \$16,000.00 trade in allowance. Price reflects trade in allowance.

Currently, Life Technologies Corporation is the only provider of a genetic analyzer that meets the specifications

## BOARD OF BIDS AND CONTRACTS JANUARY 26, 2017

On the recommendation of Britt Rosencutter, on behalf of the Appraiser's Office, Tim Kaufman moved to **accept the proposal from TFM Services to establish contract pricing at the rates listed above for one (1) year, with three (3) one year options to renew.** Jennifer Dombaugh seconded the motion. The motion passed unanimously.

A review committee consisting of Nancy Delgado - Appraiser's Office, Penny Poland - Fleet Management, Chris Hoppman - 18th Judicial Court and Britt Rosencutter - Purchasing evaluated all proposals. The selection criteria included qualifications outlined by the RFP: pricing, references, experience, methodology, approach to staffing, supervision, security issues and overall quality of the proposal. The decision to choose TFM Services was reached unanimously.

Note:

TFM Services is a locally owned and operated company and has had past experience working with Sedgwick County.

Service Types A and B are levels of cleanliness, cleaning frequency, population, usage and type of area (bathroom, office, etc.).

Annual Spend 2016 = \$17,232.60

### *Questions and Answers:*

Tim Kaufman asked: "It seems like three (3) years ago we went through a great deal of effort to consolidate all of the custodial contracts, and now it looks like we're not doing that. Is there a reason why we decided to take a different course of action?"

Britt Rosencutter answered: "I think the main reason was because the one (1) company that we chose doing the entire county, we weren't getting the service that we deemed proper for what we needed to do. We felt that by breaking it back up would give us the opportunity to have companies that could concentrate more on those facilities."

Linda Kizzire asked: "We just approved TFM for about twenty (20) locations last week. Are they going to have enough people, resources and manpower?"

Britt Rosencutter answered: "They've ensured me that they will. They've been through background checks and have gone through with flying colors based off of everyone that they put down. At this point, I have confidence that they will be able to handle it."

On the recommendation of Britt Rosencutter, on behalf of COMCARE, Jennifer Dombaugh moved to **accept the proposal from Air Capital Building Maintenance Co. and establish contract pricing at the rates listed above for one (1) year, with three (3) one year options to renew.** Linda Kizzire seconded the motion. The motion passed unanimously.

A review committee consisting of Curtis Kirkpatrick and Talaya Schwartz - COMCARE, David Portley - Facilities and Britt Rosencutter - Purchasing evaluated all proposals. Two (2) vendors were short-listed and interviewed and the committee unanimously chose Air Capitol Building Maintenance Co.,. The selection criteria included qualifications outlined by the RFP: pricing, references, experience, methodology, approach to staffing, supervision, security issues and overall quality of the proposal.

Note:

Air Capital Building Maintenance Co. is a locally owned and operated company and has had past experience working with Sedgwick County.

Service Types A and B are levels of cleanliness, cleaning frequency, population, usage and type of area (bathroom, office, etc.).

Annual Spend 2016 = \$86,724.48

## **BOARD OF BIDS AND CONTRACTS JANUARY 26, 2017**

On the recommendation of Britt Rosencutter, on behalf of The Tag Offices, Tim Kaufman moved to **accept the proposal from TFM Services and establish contract pricing at the rates listed above for one (1) year, with three (3) one year options to renew**. Jennifer Dombaugh seconded the motion. The motion passed with Linda Kizzire abstaining from voting.

A review committee consisting of Jennifer Tindel - Tag Office, Greg Tuxhorn and David Portley - Facilities and Britt Rosencutter - Purchasing evaluated all proposals. The committee unanimously chose TFM Services. The selection criteria included qualifications outlined by the RFP: pricing, references, experience, methodology, approach to staffing, supervision, security issues and overall quality of the proposal.

Note:

TFM Services is a locally owned and operated company and has had past experience working with Sedgwick County.

Service Types A and B are levels of cleanliness, cleaning frequency, population, usage and type of area (bathroom, office, etc.).

Annual Spend 2016 = \$15,938.16
