

PROJECT ACCESS AGREEMENT

by and between:
SEDGWICK COUNTY, KANSAS
and
CENTRAL PLAINS HEALTH CARE PARTNERSHIP, INC.

This Agreement entered into as of this _____ day of January, 2016, by and between Sedgwick County, Kansas, (“County”) and Central Plains Health Care Partnership, a Kansas not-for-profit corporation (“Provider”).

WITNESSETH:

WHEREAS, Provider operates a program called Project Access that coordinates access to donated volunteer medical care and services for uninsured low-income residents of Sedgwick County; and

WHEREAS, Project Access provides access to specialty medical care for eligible participants and there is no equivalent program available to residents of Sedgwick County; and

WHEREAS, County, in partnership with the City of Wichita, has agreed to assist Project Access with the administrative expenses necessary to manage the program as well as to provide funding to assist with the cost of physician-prescribed prescription medications, medical supplies and equipment, and testing conducted by local hospitals and laboratories; and

WHEREAS, County has allocated funding through its budget process to assist uninsured low-income citizens of Sedgwick County with the costs of prescription medications, medical supplies and equipment, and testing conducted by local hospitals and laboratories; and

WHEREAS, Provider warrants that it is capable of providing the services hereinafter described.

NOW, THEREFORE, in consideration of the mutual covenants, conditions and promises contained herein, the parties hereto agree as follows:

1. **Contractual Relationship.** It is agreed that the legal relationship between Provider and County is of a contractual nature. Both parties assert and believe that Provider is acting as an independent contractor in providing the services and performing the duties required by County hereunder. Provider is at all times acting as an independent contractor and not as an officer, agent, or employee of County. As an independent contractor, Provider, and employees of Provider, will not be within the protection or coverage of County’s worker’s compensation insurance, nor shall Provider, or employees of Provider, be entitled to any current or future benefits provided to employees of County. Further, County shall not be responsible for withholding of social security, federal, and/or state income tax, or unemployment compensation from payments made by County to Provider.

2. **Purpose and Scope of Work:** It is the purpose of this Agreement to provide assistance to individuals at or below 250% of the federal poverty guideline. The cost of prescription medications, physician-prescribed medical supplies and equipment, and testing shall be donated by local hospitals and laboratories, up to \$3,000.00 per patient per year. Funding is used to provide administrative support for management of the program as well as to provide funds to assist Project Access with the cost of physician-prescribed prescription medications, medical supplies and equipment, and testing conducted by local hospitals and laboratories.

3. **Term.** The term of this Agreement shall be for one (1) year commencing January 1, 2016, and shall expire December 31, 2016. This Agreement may continue for a reasonable time after December 31, 2016, if both parties mutually agree to continue operating under the terms of this Agreement while actively negotiating an agreement for 2017 and funds are available for the 2017 program year.

4. **Compensation.** Provider agrees to payment on a reimbursement basis. Provider shall provide, on a quarterly basis, a statement of provided services for which it seeks reimbursement. An invoice is required to process all payments. Upon review of said invoice, County shall provide reimbursement in the amount requested, provided that Provider is entitled to the sum. Provider understands and agrees that in no event shall the total, full and complete compensation and reimbursement, if any, paid to Provider for performance of this Agreement exceed the maximum amount of \$175,000.00

5. **Program Goals and Objectives.** The following shall serve as Provider's goals and objectives:

a. Enrolled patients will access the donated care needed to meet their healthcare needs, including prescription medications, physician-prescribed medical supplies and equipment, and testing.

b. Every patient enrolled in Project Access will have access to the prescribed health care they need, as deemed appropriate by the medical care provider.

c. At least eighty percent (80%) of enrolled patients that respond to a patient satisfaction survey will report having a positive experience with the program.

6. **Notification.** Notifications required pursuant to this Agreement shall be made in writing and mailed to the addresses shown below. Notification shall be deemed complete upon mailing.

7. Termination.

A. *Termination for Cause.* County reserves the right to terminate this Agreement with a thirty (30) day written notice as a result of the failure of Provider to provide acceptable goods and/or services or if County determines that goods or services can be better provided by in-house or other sources. In the event of termination of this Agreement as a result of a breach by Provider, County will not be liable for any fees other than payment to Provider for goods and services rendered prior to termination and non-cancellable commitments made by Provider to third parties on behalf of the County prior to termination. County may, at its sole option, award an agreement for the same services to another qualified firm to provide services or the County may complete the work in-house.

B. *Termination on Other Grounds.* This Agreement may be terminated by either party upon thirty (30) days written notice to the other, stating the effective date of the termination. When this Agreement is terminated, Provider shall not incur new obligations for the terminated portion after the effective date of the termination and shall cancel as many outstanding obligations as possible. County shall allow full credit to Provider for the grant share of the non-cancelable obligations properly incurred by Provider prior to termination. Provider shall be paid for work satisfactorily completed, so long as the provisions in Appendix A applicable to Billing and Payment have been met by Provider.

C. *Reduction in Funds.* Provider understands that funding may cease or be reduced at any time. In the event that adequate funds are not available to meet County's obligations hereunder, County reserves the right to terminate this Agreement upon thirty (30) days written notice to Provider without consequence.

8. Indemnification. To the fullest extent of the law, Provider shall defend, indemnify and hold harmless County and its elected and appointed officials, officers, managers, members, employees and agents, from any and all claims brought by any third-party person or entity whatsoever, arising from any act, error, or omission of Provider in connection with Provider's performance of this Agreement or any other agreements between the Provider and the County entered into by reason of this Agreement. Provider shall defend, indemnify and hold harmless County and its elected and appointed officials, officers, managers, members, employees and agents, with respect to any third-party claim arising, or alleged to have arisen from negligence, and/or willful, wanton or reckless acts or omissions of Provider, its subcontractors, agents, servants, officers, or employees and any and all losses or liabilities resulting from any such claims, including, but not limited to, damage awards, costs, and reasonable attorney's fees. This indemnification shall not be affected by other portions of the Agreement relating to insurance requirements. Provider agrees that it will procure and keep in force at all times at its own expense insurance in accordance with these specifications.

9. Governing Law. This Agreement shall be interpreted under and governed by the laws of the State of Kansas. The parties agree that any dispute or cause of action that arises in

connection with this Agreement will be brought before a court of competent jurisdiction in Sedgwick County, Kansas.

10. Insurance. Provider agrees to maintain the following minimum limits of insurance coverage throughout the term of this Agreement.

No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the parties hereto. Any agreement not contained herein shall not be binding on either party, nor shall it be of any force or effect.

Consequently, by entering into this agreement, Contractor assumes an affirmative and ongoing duty during the pendency of this contract to maintain compliance with requirements set forth in subsection E below. Such compliance requires the use of criminal or other legal background checks upon all personnel or agents providing services pursuant to this agreement, or administering the funds conveyed under this agreement.

No penalty shall be assessed to the County for revocation of this agreement in the event of a breach of any portion of Appendix A, Section 2.

3. PROHIBITION OF CONFLICTS OF INTEREST.

3.1 Interest of Public Officials and Others. No officer or employee of County, no member of its governing body, and no other public official who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of this project shall participate in any decision relating to this contract which affects such person's personal interest or the interest of any corporation, partnership, or association in which such person is directly or indirectly interested; nor shall any officer or employee of County or any member of its governing body or other public official have any interest, direct or indirect, in this contract or the proceeds thereof.

- 3.4 Notice to Bidders.** Requests for proposal or invitations for bid issued by Contractor to implement this contract will provide notice to prospective bidders that County's conflict of interest provision is applicable in that contractors who develop or draft specifications, requirements, statements of work and/or RFP's for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award of such procurement.

4. FUNDING.

If not otherwise required by law to perform an audit and upon approval by County, Contractor may provide a copy of a financial balance sheet developed by a reputable accountant/accounting firm instead of a formal audit.
