18.7 Term.

- (A) The Term of this Agreement shall be effective as of date of execution of the agreement by the parties, and shall terminate when all of the Protected Health Information provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, has been returned to Covered Entity or, at Covered Entity's option, is destroyed, or, if it is infeasible to destroy Protected Health Information, the protections are extended to such information, in accordance with the termination provisions in this Section.

Accordingly, upon demand, the Business Associate shall reimburse the Indemnified Party(ies) for any and all actual expenses (including reasonable attorney's fees) which may be imposed

upon any Indemnified Party(ies) by reason of any suit, claim, action, proceeding or demand by any third party resulting from the Business Associate's breach or other action under this Agreement.

- (A) Business Associate agrees, to the extent any Protected Health Information created, received, maintained or transmitted by or in electronic media, also referred to as electronic protected health care information, as defined by 45 CFR § 160.103, that it will only create, maintain or transmit such information with appropriate safeguards in place.
- (B) Business Associate shall therefore: implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the electronic protected health care information; ensure that any agent, including subcontractors, to whom it provides such information shall agree to also implement reasonable and appropriate safeguards to protect the information; and report to the Covered Entity any security incident, as that term is defined by 45 CFR § 164.304, of which it becomes aware.

18.10 Termination.

- (A) Contractor agrees that if the Covered Entity determines the Contractor has violated any material term of this Agreement, the Covered Entity may terminate the contract for cause. Upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall either:
 - (i) Provide an opportunity for Business Associate to cure the breach or end the violation and terminate the Original Contract if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;
 - (ii) Immediately terminate the Original Contract if Business Associate has breached a material term of this Agreement and cure is not possible; or
 - (iii) If neither termination nor cure are feasible, Covered Entity shall report the violation to the Secretary.

18.11 Effect of Termination.

- (A) Except as provided in paragraph 18.11(B), upon termination of this Agreement, for any reason, Business Associate shall return to Covered Entity or, at the Covered Entity's option, destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.
- (B) In the event that Business Associate determines that destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make destruction infeasible. Upon such notice, the Covered Entity and the Business Associate shall enter into a supplemental Agreement which shall require the Business Associate to extend the protections of this Agreement to such Protected Health Information and limit further uses and disclosures of such Protected Health Information to those purposes that make the destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

18.12 Notification of Breach.

- (A) A business associate of a covered entity that accesses, maintains, retains, modifies, records, stores, destroys, or otherwise holds, uses, or discloses unsecured protected health information shall, following the discovery of a breach of such information, notify the covered entity of such breach. Such notice shall include the identification of each individual whose unsecured protected

health information has been, or is reasonably believed by the business associate to have been, accessed, acquired, or disclosed during such breach. The business associate shall provide the Covered Entity with any other available information that the Covered Entity is required to include in notification to the individual under 45 C.F.R. § 164.404(c) at the time of the required notification to the Covered Entity, or as promptly thereafter as the information is available.

- (B) For purposes of this section, a breach shall be treated as discovered by the business associate as of the first day on which such breach is known to such associate (including any person, other than the individual committing the breach, that is an employee, officer, or other agent of such associate) or should reasonably have been known to such associate (or person) to have occurred by the exercise of reasonable diligence.
- (C) Subject to section 18.12(D), all notifications required under this section shall be made without unreasonable delay and in no case later than 60 calendar days after the discovery of a breach by the business associate involved in the case of a notification required under section 18.11(B). The business associate involved in the case of a notification required under section 18.11(B), shall have the burden of demonstrating that all notifications were made as required under this part, including evidence demonstrating the necessity of any delay.
- (D) If a law enforcement official determines that a notification or notice required under this section would impede a criminal investigation or cause damage to national security, such notification or notice shall be delayed in the same manner as provided under section 164.528(a)(2) of title 45, Code of Federal Regulations, in the case of a disclosure covered under such section.
If a law enforcement official states to the business associate that any notification or notice would impede a criminal investigation or cause damage to national security, the business associate shall:
 - (i) If the statement is in writing and specifies the time for which a delay is required, delay such notification or notice for the time period specified by the official; or
 - (ii) If the statement is made orally, document the statement, including the identity of the official making the statement, and delay the notification or notice temporarily and no longer than 30 days from the date of the oral statement, unless a written statement as described in (a) is submitted during that time.

18.13 Application of Additional Provisions

- (A) Application of knowledge elements associated with contracts. Section 164.504(e)(1)(ii) of title 45, Code of Federal Regulations, shall apply to the business associate, with respect to compliance with such subsection, in the same manner that such section applies to the Covered Entity, with respect to compliance with the standards in sections 164.502(e) and 164.504(e) of such title, except that in applying such section 164.504(e)(1)(ii) each reference to the business associate, with respect to a contract, shall be treated as a reference to the Covered Entity involved in the agreement.
- (B) Application of civil and criminal penalties. If the business associate violates any provision of subsection (a) or (b), Section 13404 of the HITECH act, the provisions of sections 1176 and 1177 of the Social Security Act (42 U.S.C. 1320d-5, 1320d-6), the provisions shall apply to the Business Associate with respect to such violation in the same manner as such provisions apply to a person who violates a provision of part C of title XI of such Act.

18.14 Prohibition on Sale of Electronic Health Records or Protected Health Information.

- (A) In general: Except as provided in section 18.14(B), the business associate shall not directly or indirectly receive remuneration in exchange for any protected health information of an individual unless the Covered Entity has obtained from the individual, in accordance with section 164.508 of title 45, Code of Federal Regulations, a valid authorization that includes, in accordance with such section, a specification of whether the protected health information can be further

exchanged for remuneration by the entity receiving protected health information of that individual.

- (B) Exceptions: Section 18.14(A) shall not apply in the following cases:
- (i) The purpose of the exchange is for public health activities (as described in section 164.512(b) of title 45, Code of Federal Regulations).
 - (ii) The purpose of the exchange is for research (as described in sections 164.501 and 164.512(i) of title 45, Code of Federal Regulations) and the price charged reflects the costs of preparation and transmittal of the data for such purpose.
 - (iii) The purpose of the exchange is for the treatment of the individual, subject to any regulation that the Secretary may promulgate to prevent protected health information from inappropriate access, use, or disclosure.
 - (iv) The purpose of the exchange is the health care operation specifically described in subparagraph (iv) of paragraph (6) of the definition of healthcare operations in section 164.501 of title 45, Code of Federal Regulations.
 - (v) The purpose of the exchange is for remuneration that is provided by the Covered Entity to the business associate for activities involving the exchange of protected health information that the business associate undertakes on behalf of and at the specific request of the Covered Entity pursuant to the business associate agreement.
 - (vi) The purpose of the exchange is to provide an individual with a copy of the individual's protected health information pursuant to section 164.524 of title 45, Code of Federal Regulations.
 - (vii) The purpose of the exchange is otherwise determined by the Secretary in regulations to be similarly necessary and appropriate as the exceptions provided in subparagraphs (i) through (vi).
