Dear Mr. Masterson,

Thank you for submitting your application for the 2013 Title V grant. We are pleased to inform you that Sedgwick County Commission – Family Art has been approved. The amount awarded to your program is \$24,321.00. The Grant committee did not impose any special conditions to be addressed during this grant cycle.

Attached you will find the award packets, including the Grant Reporting Requirements, Federal Grant Assurances, EEOP Certification, Certification regarding lobbying, disbarment and drug free workplace, W-9 and the Contractual Provisions Attachment. Please have the chair of your organization, or other person with legal authority to enter into contractual arrangements on behalf of your organization, sign and return these. This paperwork must be completed and returned to Sandra Barnett with the Juvenile Justice Authority prior to the release of the funds. Please note that the Certification of Drug Free Workplace requires you to complete the street address where the work will be done.

We appreciate your interest in serving the needs of Kansas youth and their communities. Thank you and congratulations. If you have any questions or require any additional information please contact Don Chronister, Juvenile Justice Specialist or Sandra Barnett, Public Service Administrator with Juvenile Justice Authority at (785)-296-4213.

Sincerely,

A handwritten signature in black ink, appearing to read "Terri Williams".
