Dear Board Members:

On behalf of the Sedgwick County Board of County Commissioners and the Sedgwick County Health Department, particularly our Children's Dental Clinic, I would like to extend my appreciation of the generous donation of the \$6,000.00

Our organization provides a wide variety of health services to the citizens of Sedgwick County. The Children's Dental clinic is one of the programs offered by Health Department that serves exclusively those who lack the financial means to address a critically important personal health need, in this case oral health.

Your gracious donation will be used to purchase needed supplies that will enable us to continue to provide quality dental care to uninsured children from our community.

Again, thank you for your generous donation to our organization.

Sincerely,

Tim Norton, Chairman  
Sedgwick County Board of County Commissioners
