WHEREAS, it has been determined by the Lender that an economic emergency or *unique* opportunity exists which warrants funding to secure economic benefits or avoid or remedy economic losses; and

WHEREAS, the Borrower has specified that this funding will be used to purchase new machinery and equipment in Sedgwick County, Wichita, Kansas; and

WHEREAS, the Lender has authorized an expenditure of up to \$20,000 for the purpose of making a loan to the Borrower under such terms and conditions as may be prescribed by the Lender.

NOW THEREFORE, in consideration of the mutual promises, covenants and agreements, the parties agree as follows:

1) **Loan Amount and Terms:** Subject to the terms and conditions of the Agreement, the Lender hereby agrees to provide the Borrower with the principal sum of up to \$20,000 for a sixty (60) month period. Interest will accrue from the date of disbursement at the rate of zero percent (0.0%) per annum on the unpaid balance. Should a default occur, repayment of all principal and interest will be made immediately in accordance with the provisions shown below. This loan is not transferable.

2) **Forgiveness of Debt:** The Borrower promises to make an estimated capital investment and leases of \$1,624,000 and create 50 NEW and maintain minimum employment levels at the Sedgwick County, Kansas facility, starting from a base employment level of 96 full-time employees (\$35,000 average annual salary), at the end of each of five (5) years as shown in the following schedule:

	Year 1(2013)	Year 2(2014)	Year 3(2015)	Year 4(2016)	Year 5(2017)

Job figures reflect full-time equivalent (FTE) positions only. One FTE is equal to 2080 hours earned per year, including vacation. Average salary to the base level shall be at least \$35,000 per year.

The outstanding principal balance will be divided by the total number of years in the term, and the resulting figure will be the "installment". The first anniversary date for meeting the first year's job creation commitment shall be **March 31, 2013**. On the first anniversary and at each scheduled anniversary date

thereafter where the Borrower has achieved the required job and wage commitment, an amount equal to an installment, plus any accrued interest, will be forgiven.

However, in the event the Borrower ceases to operate as Quality Solutions Inc. in Sedgwick County, Kansas during the term of this agreement, any principal and interest which has been forgiven will be repaid in accordance with paragraph (16) below.

In the event of a technical default under this section, the Borrower has the right of appeal to Lender, if compelling evidence can be presented demonstrating that the default is the result of dramatic, unforeseen changes in the economy or market conditions. In the event of an appeal, the Lender will have the sole discretion to enforce the provisions as set forth in paragraph (16) below.

3) **Collateral**: None is required under this Agreement.

4) **Mortgage/Security Agreement**: Not applicable.

5) **Insurance**: The Borrower agrees to provide and maintain at its own expense casualty and hazard insurance covering loss by fire or wind with extended coverage insuring all of the real estate, buildings, fixtures and improvements and all business machinery, equipment, furnishings and furniture at its Sedgwick County, Kansas facility. Evidence of such coverage will be provided to the Lender upon request. The total amount of the insurance policy shall be sufficient to pay all indebtedness to lien holders and other parties with an interest in this property, and pay the Lender the entire outstanding principal balance and accrued interest. In the event of such loss, the Borrower agrees to repay the Lender as detailed in section 16(A)(ii) below, subject to item (6).

6) **Force Majeure**: In the event that operations at the worksite are impaired or suspended due to uncontrollable forces of nature, the Borrower will be given a reasonable period of time, as determined in the sole discretion of the Lender, in which to reestablish any lost jobs. The term of this agreement will be extended by the length of this period, and no contractual penalty will be imposed on the company during this period.

7) **Release of Mortgage/Security Agreement**: Not applicable.

8) **Life Insurance**: Not applicable.

9) **Use of Funds**: The monies from this loan shall be used by the Borrower to pay for costs directly related to Quality Solutions Inc., at 455 N. Maize Road, at the Borrower's worksite in Sedgwick County, Kansas. Any machinery and equipment obtained using these loan funds will be promptly identified to the Lender, including narrative description and serial number, and will remain in the Sedgwick County, Kansas facility for the duration of this agreement. The Lender or its representative shall be afforded the right of inspection of such machinery and equipment throughout the term of this agreement.

10) **Services Provided to Borrower**: The Lender is not obligated to provide any services to the Borrower other than those specified in the Agreement.

11) **Related Contracts**: The Borrower shall provide, upon written request, copies of all contracts entered into by the Borrower for activities covered by the loan monies.

12) **Period of Performance**: The Borrower may be reimbursed with loan funds for expenses incurred prior to the date of this Agreement, if they were made in connection with activities defined in item (9) above.

Activities will terminate when all conditions of the Agreement have been met within any specified time frames, or by mutual consent of all parties to the Agreement, or when a default situation arises, unless the Lender chooses not to terminate the Agreement.

13) **Financial Management:** Borrower shall keep accounting records in conformance with generally accepted accounting principles, and make such records and all related reports, files, documents and other papers pertaining to the funds provided under this Agreement available for audits, examinations and monitoring if requested by Lender; such records will be retained for a period of three (3) years after termination of the loan period or repayment of the debt in full. The accounting system used by the Borrower shall clearly establish records of budgets and expenditures for the activities funded with the loan monies.

14) **Monitoring and Reporting:** A random audit, or audits, may be conducted by the Lender, or a designated representative of the Lender, to assure accountability of loan expenditures and examine the status of any machinery and equipment acquired with this loan funding.

The Borrower will provide to Lender, on an annual basis and for a period of five (5) years after completion of the term, a report for the Borrower's Sedgwick County, Kansas facility which lists the number of full-time equivalent employees, the total payroll as defined in item (2) of this Agreement, and a record of capital investment for the most recent report period and accumulated since the beginning of the report periods. Each report will be submitted within 60 days of the anniversary date of this Agreement.

15) **Waivers:** The Borrower hereby waives presentment, demand of payment, protest, and any and all other notices and demands whatsoever. No waiver of any payment or other right under this Agreement shall operate as a waiver of any other payment or right.

16) **Default:** This Agreement shall be considered in default if:

(A) Upon any default or failure to properly perform under any clause in this Agreement (or the provisions of any security agreement(s) or mortgage documents which secure this Agreement).

(i) If, on the scheduled anniversary, employment levels are below the minimums specified in item (2) of this Agreement, the following repayment is required within thirty (30) days:

- a) the outstanding principal balance will be divided by the number of remaining anniversary dates, to produce the principal amount due, plus
- b) interest accrued since the previously scheduled anniversary date.

(ii) If the Borrower ceases to operate in Sedgwick County, Kansas during the term of this Agreement, the following repayment is required:

- a) the entire outstanding principal amount is immediately due and payable, plus
- b) any principal and interest previously forgiven as specified in item (2) above, plus
- c) interest penalties equal to a twelve percent (12%) compounded annual rate calculated for a 5 year period against the highest outstanding principal amount over the term of the loan.

(iii) Upon audit, any loan funds shown to have been used for other than the intended purposes shall be repaid with interest to Lender by Borrower. Such unintended purposes would include, but not be limited to, the acquisition of machinery and equipment which is not used at the Sedgwick County, Kansas facility throughout the term of this loan. The amount to be repaid shall be such principal plus twenty-five percent (25%) compounding interest accrued from the date of the initial draw-down against this loan.

(iv) If the Borrower otherwise defaults in any manner on the obligations set forth in this Agreement, which default continues for 15 days after written notice of such default from Lender to Borrower, the following repayment is required:

- a) any principal balance outstanding on the loan is due and payable; and
- b) interest penalties equal to a twelve percent (12%) compounded annual rate calculated against the principal balance for the period during which it has been outstanding.

(B) Upon any occurrence under this Agreement or security agreements or mortgage documents by which this loan may or shall become due and payable.

(C) At any time that the Lender determines in good faith that the prospect of any payment required by this note is impaired.

In the event of continued default following a fifteen (15) day written notice of default, the Lender may, at its option, declare all unpaid indebtedness evidenced by this Agreement and any modifications thereof, immediately due and payable, without further notice, regardless of date of maturity. The Lender's failure to exercise this option when available at any point in time shall in no way invalidate its right to exercise the option in future default situations. Should it become necessary to collect the monetary obligations of this Agreement through an attorney, the Borrower agrees to pay all costs of collecting these monies, including reasonable attorneys' fees to the extent permitted by law, whether collected by suit, foreclosure, or otherwise.

17) **Indemnification**: The Borrower shall indemnify, defend, and hold harmless the Lender and its respective officers and employees from any liabilities, claims, suits, judgments, and damages arising as a result of the performance of the obligations under this Agreement by the Borrower or any party in a relationship with the Borrower which is a result of this Agreement. The liability of the Borrower under this Agreement shall continue after the termination of the Agreement with respect to any liabilities, claims, suits, judgments and damages resulting from acts occurring prior to the termination of this Agreement.

18) **Amendments**: Changes to this Agreement will not be effective or binding unless in writing and signed by both parties to the Agreement.

19) **Compliance with the Law**: The Borrower agrees to operate in Sedgwick County, Kansas in full compliance with applicable federal, state and local laws without limitation.

20) **Authorization to Contract**: Before or at the time of execution of the Agreement, the Borrower must be able to provide evidence that it is duly incorporated, in good standing in the state of its incorporation, authorized to do business in the State of Kansas, and authorized to borrow money; and evidence shall be provided that the person executing the Agreement and any supporting documents is authorized to act on behalf of the Borrower in such a transaction.

21) **Termination of Agreement**: Lender may terminate the loan, in whole or in part, if the Borrower has failed to comply with the conditions of the Agreement. The Borrower will receive written notice and the reasons for termination.

22) **Divisibility**: The invalidity of any one or more phrases, sentences, clauses, or section contained in this Agreement shall not affect the remaining portions of this Agreement, or any part thereof. Further, various headings included in this Agreement exist purely as an aid to locate particular wording, and do not in and of themselves in any way affect the substance of this Agreement.

23) **Complete Document**: The parties agree this Agreement is a complete document in which all obligations have been reduced to writing, and there are no understandings, agreements, conventions or covenants not included herein.

24) **Assignment**: The parties further agree that this Agreement may not be assigned by the Borrower without prior written approval by the Lender.

25) **Binding Effect**: The provisions of this Agreement shall both bind and benefit the Borrower's successors, assigns, guarantors, endorsers, and any other person or entity now or hereafter liable hereon.
