On the recommendation of Brandy McCune, on behalf of Fleet Management, Sara Jantz moved to **accept the low bid from Ed Bozarth Chevrolet Buick GMC, for the amount of \$90,611.50**. Jennifer Dombaugh seconded the motion. The motion passed four to one, with Linda Kizzire voting no.

These are replacement vehicles for the Sheriff Office. Surplus will be sold on Purple Wave.

Note: Ed Bozarth Chevrolet Buick GMC has the current State of Kansas 2012 Motor Vehicle Contract; pricing for the 2012 Impalas has been extended to the 2013 model if ordered before June 28, 2012.

Linda Kizzire commented, "Once again, I think we need to change our purchasing policy to reflect a local bid preference. Don Hattan Chevrolet pays over \$120,000 in real estate taxes on his dealership; that does not count his personal residence, nor his employees' taxes that they pay. Davis Moore, between those two dealerships, pays over \$200,000, and once again, that is just on the dealerships. It does not include their personal residences, their employees' residences, or their vehicles."
