RE: ZON2008-00025

Dear Mr. Slocum -

As we discussed the other day on the phone, we would like to request a platting extension on our above-referenced zone change request. We are requesting this extension while we continue to market our property. I am enclosing a check for \$110 as was required in previous years. Please let me know if there is anything further I can provide to assist in moving this issue forward through the process.

Regards,
