**RE: Juvenile Detention Facilities Fund Grant**

Dear Mr. Masterson:

The Juvenile Justice Authority will be releasing the SFY 2012 Juvenile Detention Facilities Fund (JDFF) grants to thirteen non-profit juvenile detention facilities operating in the State of Kansas according to the percentage of **licensed capacity** of each juvenile detention facility. Kansas law requires that the JDFF be spent only on the following categories:

- **construction**
- **renovation/remodeling**
- **personnel**
- **equipment/supplies**
- **other operational costs**

The amount awarded to your facility, based on the licensed capacity of your facility on July 5, 2006, will be \$109,707.00. When assembling your budget plan keep in mind that future allocations may decrease due to increased per diem costs, decrease revenues, or Legislative actions.

The deadline for submission is May 13. Please complete your budget plan and narrative on the enclosed forms and fax or email to Sandy Barnett, Public Service Administrator. The Kansas Advisory Group will meet on May 25 to consider the grant requests, with award notifications being issued shortly thereafter. JJA intends to distribute funds on or about June 20. Please note that these funds are to be used during SFY 2012, commencing on July 1, 2011 and ending on June 30, 2012.

If you have any questions or require any additional information about the grant process, please feel free to contact Sandy Barnett at (785) 296-4293 or sbarnett@jja.ks.gov.

Sincerely,

Keith Bradshaw  
Operations Director
