On the recommendation of Kristen McGovern, on behalf of Public Works, Linda Kizzire moved to **accept the bid from Andale Ready Mix Central, Inc. in the amount of \$1,451,561.72.** Tim Kaufman seconded the motion. The motion passed unanimously.

Super Seal is a cementitious material used to stabilize the subgrade of selected County roads.

Andale Ready Mix Central, Inc. is currently the only vendor experienced in this new process.

This application method for Super Seal has been in existence and practice worldwide for decades but has not been used in this area until recently. At this point in time, there is only one contractor in the local market who is equipped and experienced in this application method. Public Works continues to monitor the cost of this type of application against the cost of other methods and materials, that provide a similar end product to ensure that the county is getting the best possible value.

		South West Butler Quarry, LLC	

On the recommendation of Kristen McGovern, on behalf of Public Works, David Spears moved to **accept the bid from APAC-Kansas, Inc. Shears Division for an initial purchase of \$96,500.00 and establish contract pricing for one (1) year with two (2) one (1) year options to renew.** Tim Kaufman seconded the motion. The motion passed unanimously.

City Surface Mix is material used to patch potholes on county roads.

Trinity Industries and South West Butler Quarry, LLC could not supply the City Surface Mix. Bingham Sand could not quote a competitive price due to their distance from the county. Cornejo & Sons, LLC received the bid request on April 24, 2015, but did not respond.

Delivery		90-120 days		60-90 days	
Acknowledge addendum		Yes		Yes	
No Bid		Resnik Motors			

On the recommendation of Gunda Angelica, on behalf of Fleet Management, David Spears moved to **accept the overall low bid from Landmark Dodge in the amount of \$398,980.00**. Tim Kaufman seconded the motion. The motion passed 2 to 1 with Linda Kizzire voting no.

These are replacement vehicles for Sheriff's Office; surplus will be sold on Purple Wave, Inc.

Question: Where is Landmark Dodge located? Independence, MO.

Question: Was a delivery timeline specified in the bid? No specific delivery date was requested.

Question: Why were only two bids received? Davis-Moore Automotive, Inc. regularly responds; they currently have the state contract for Dodge Chargers. Landmark Dodge had previously been awarded the state contract and subsequently became more active in submitting bids to the county.

Question: Did Eddy's Dodge in west Wichita submit a bid? No.

Linda Kizzire voiced concern for local vendors and their employees who pay state, county, real estate, property and motor vehicle taxes. She also noted that there was less than \$3,500.00 difference in the bids.

On the recommendation of Kara Kingsley, on behalf of Facilities Department and Risk Management, Tim Kaufman moved to **accept the proposals from Midwest Single Source-Hon High Back Task Chair, Contract Furnishings-Global Vion Mesh Mid-Back Task Chair, Scott Rice Office Interiors-Steelcase Leap Task Chair, John A. Marshall Co.-Herman Miller Mirra2 Task Chair and establish contract pricing for three (3) years with two (2) one (1) year options to renew.** Linda Kizzire seconded the motion. The motion passed unanimously.

A review committee consisting of Tania Cole and Crystal Deselms-Facilities Department, Diana Mansouri-Risk Management, and Kara Kingsley-Purchasing reviewed all proposals to determine best ergonomic fit, durability and product specifications for Sedgwick County. The committee considered ergonomic specifications including adjustability, console fit, personal fit, individual use features and overall comfort, as well as cost and vendor service ability as determined by previous experience and reference checks. Chair selections include 24/7 rating (Steelcase Leap Task Chair and Herman Miller Mirra2 Task Chair), a mesh back (Global Vion Mesh Mid-Back Task Chair) and foam back (Hon High Back Task Chair), which are the most requested. This selection process will allow employees flexibility to ensure each chair is a proper ergonomic fit which reduces stress on the body and on-the-job injuries.

Total amount spent in 2014 was approximately \$66,000.00.
