RE: Juvenile Detention Facilities Fund Grant

Dear Mr. Masterson:

The Juvenile Justice Authority will be releasing the SFY 2016 Juvenile Detention Facilities Fund (JDFF) grants to eleven juvenile detention facilities operating in the State of Kansas according to the percentage of **licensed capacity** of each juvenile detention facility. Kansas law requires that the JDFF be spent only on the following categories:

- **construction**
- **renovation/remodeling**
- **operational costs**
- **equipment/supplies**

The amount eligible to your facility, based on the licensed capacity of your facility on July 5, 2006, will be **\$204,454.00**. This amount reflects an increase of **\$13,998.00** from the previous award due to a reduced detention center capacity in the State of Kansas. When assembling your budget plan keep in mind that future allocations may decrease due to increased per diem costs, decrease revenues, or Legislative actions.

The deadline for submission is July 24, 2015. Please complete your budget plan and narrative on the enclosed forms and fax or email to Suhaib Ali, Accountant. Juvenile Services intends to distribute funds in two payments, one on or about August 1, 2015 and one on or about February 1, 2016. Please note that these funds are to be used during SFY 2016, commencing on July 1, 2015 and ending on June 30, 2016.

If you have any questions or require any additional information about the grant process, please feel free to contact Suhaib Ali at (785) 296-5699 or Suhaib.Ali@doc.ks.gov.

Sincerely,

Randall Bowman
Director of Community Based Services
