	Martin K. Eby Construction	The Best Home Guys
	Roof Mechanics	Wildcat Construction
	Snodgrass & Sons Construction	Versatile Services, LLC
	Coonrod & Associates Construction	

On the recommendation of Kim Evans, on behalf of the Facilities Department, Linda Kizzire moved to **accept the low bid from Van Asdale Construction in the amount of \$68,600.00**. Tim Kaufman seconded the motion. The motion passed unanimously.

This work includes adding an ADA compliant public restroom in the Adult Detention Facility lobby that is designed to meet the 2010 ADA Standards for Accessible Design.

Question: Are the 2010 ADA Standards still applicable in 2015? Yes.

Question: Is there a financial value determined based on time differences, and is that factored into the decision? Sandy Anguelov, with Facility Project Services, answered not for the public restroom that we are building.

When it is under construction, we will be directing people to the second floor, where there are two restrooms, so it won't impact the public at all.
