- N. See Policy Number 4.300, "Employment", II. Policy, D. regarding employees who get married and are employed in the same department.

III. Procedure

- A. The procedure for terminating an employee shall be as follows:
1. The appropriate department supervisor shall conduct an administrative investigation of the circumstances relating to the proposed dismissal of the employee. If necessary, the supervisor may relieve an employee of his/her duties with pay or suspend the employee without pay during this investigation. Prior to a suspension or relief of duty, notice of the proposed action shall be given to the Division of Human Resources.
 2. When the hiring authority reaches the disciplinary decision (termination/suspension/demotion) he or she will meet with Human Resources to discuss the disciplinary decision. Human Resources will review the information and make recommendations.
 3. Based on the recommendations from Human Resources, the hiring authority completes form PS- 1369, County Manager's Review of Termination/Disciplinary Suspension. A copy of the form will be given to the Division of Human Resources.
 4. The hiring authority gives a copy of PS-1369 and supporting documentation to the Division Director and/or Assistant County Manager.
 5. The Assistant County Manager, Division Director or his/her designee, should discuss the disciplinary decision with the County Manager for notification purposes.
 6. If appropriate, the hiring authority will schedule a pre-termination hearing, and notify the Division of Human Resources and the County Counselor's Office of the time and location.
 7. When the hiring authority determines there are grounds for termination, notice shall also be given to the employee of the intent to terminate said employee along with reasons for the termination and a date and time for a pre-termination hearing.
 8. The appropriate hiring authority shall be responsible for conducting the pre-termination hearing (except for those employees on probation or designated as classified exempt). He/she may have supervisors or other employees present during the hearing. At the hearing, the employee will be given the opportunity to present oral and/or written reason why he/she should not be terminated. If the hiring authority feels that further investigation in the matter is needed, a decision may be made following the gathering of such additional information, after review by the County Manager.

9. Following the pre-termination hearing, if the hiring authority finds that the termination is justified, a final written notice shall be presented to the employee along with the reason for dismissal
 10. The PS-1369 is routed to Human Resources and County Manager's Office for signatures.
 11. The hiring authority shall forward a completed Personnel Action Form to the Division of
Human Resources for processing.
- B. Whenever an employee resigns, is terminated, laid off, or in any way absolves his/her relationship with the County, he/she shall surrender to the Division Director, Department Head or Elected Official all property that has been issued by the County to said employee. This may include such items as keys, clothing, tools, identification cards, training manuals, etc.
- C. Most fringe benefits will be terminated, but some may be continued if the employee wishes to assume responsibility for the payment to the company that provides the benefit (e.g., life insurance). Certain fringe benefits may have continuing long-term benefits (e.g., retirement plans). Health insurance may be paid through the County as specified by law. Therefore, for his/her own benefit, the employee should leave time while still employed to discuss these benefits with Human Resources.
