WITNESSETH:

WHEREAS, County desires to provide live television coverage and closed captioning services of regular County Commission meetings; and

WHEREAS, KPTS, a nonprofit public television broadcasting station operating in Wichita, Kansas, desires to provide live television coverage and closed captioning services of County Commission meetings for Sedgwick County.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

Regularly scheduled meetings of the Sedgwick County Commission to be broadcast by KPTS hereunder shall commence at 9:00 a.m. and generally conclude no later than 12:00 Noon each Wednesday, except for the last Wednesday of each month, when the County Commission does not hold a meeting and therefore does not need broadcast support. It is understood by the parties hereto that County has the exclusive right to the broadcast time of KPTS during the regularly scheduled meetings as previously described. In the event that County does not use all of said time, County hereby grants to KPTS the right to program such unused time with alternate program material in the exclusive discretion of KPTS.

County will not be charged for those broadcasts so canceled, including but not limited to any charges for closed captioning services. County will be billed a \$128.50 set-up and personnel cancellation charge if phone and telecopied notice of cancellation is not received by KPTS at least 24 hours before the said meeting.

6. Payment of Compensation. Payment for the regularly scheduled broadcasts shall be made on a monthly basis. County shall pay KPTS for all broadcast coverage performed during and closed captioning services provided for each month at the end of the following month. The subject matter of such production shall be provided by the Director of Sedgwick County Communications upon reasonable notice to KPTS. County shall assist and advise KPTS in the production, using County staff and resources when possible to keep production costs at a minimum.

10. Incorporation of Documents. Appendix A (General Contractual Provisions) is attached hereto and is made a part hereof as if fully set out herein.

11. Entire Agreement. This Agreement and the documents incorporated herein contain all the terms and conditions agreed upon by both parties. APPENDIX A- GENERAL CONTRACTUAL PROVISIONS

1. AUTHORITY TO CONTRACT.

A. Affirmation of Legal Authority. Contractor assures it possesses legal authority to contract these services; that resolution, motion or similar action has been duly adopted or passed as an official act of Contractor's governing body, authorizing the signing of this contract, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of Contractor to act in connection with the application and to provide such additional information as may be required.

B. Required Documentation. Domestic (Kansas) corporations shall furnish evidence of good standing in the form of a Certificate signed by the Kansas Secretary of State. Foreign (non-Kansas) corporations shall furnish: (1) evidence of authority to transact business in Kansas, in the form of a Certificate signed by the Kansas Secretary of State; and (2) a copy of the Corporation Resolution evidencing the authority to sign Contract Documents, executed by the Corporation's Secretary or Assistant Secretary.

2. PERSONNEL.

A. Qualified Personnel. Contractor represents that it has, or shall secure at its own expense, all personnel required in performing the services under this contract. Such personnel shall not be employees of or have any other contractual relationship with County. All personnel engaged in the work shall be fully qualified according to the laws of the State of Kansas and the provisions of this contract.

B. Minimum Wages. Contractor will comply with the minimum wage and maximum hours provisions of the Federal Fair Labor Standards Act.

C. Employee Conflict of Interest. Contractor shall establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties.

D. Contractor's Safeguard. The parties to this agreement recognize that entities or persons providing government-funded services to the public are the subject of public scrutiny. Consequently, by entering into this agreement, Contractor assumes an affirmative and ongoing duty during the pendency of this contract to maintain compliance with requirements set forth in subsection E below. Such compliance requires the use of criminal or other legal background checks upon all personnel or agents providing services pursuant to this agreement, or administering the funds conveyed under this agreement.

E. Participant Safeguard. Contractor certifies that:

1) Persons convicted of any felony, drug or drug-related offense, crime of falsehood or dishonesty, crime of moral turpitude or crime against another person during the ten-year period concluding on the date of execution of this contract or during the pendency of this contract, or any individual who is known by Contractor to have had a prior employment history of abuse, neglect or exploitation of children or vulnerable adults, shall not be permitted to administer this contract or handle the funds conveyed under this contract;

2) Persons with convictions for crimes against persons, for crimes of moral turpitude, including, but not limited to, sex offenses and crimes against children, or any individual who is known by Contractor to have had a prior employment history of abuse, neglect or exploitation of children or vulnerable adults, shall not be permitted to provide services or interact in any way with persons served pursuant to this contract; and

3) Persons having been convicted of a serious driving offense, including but not limited to driving under the influence of alcohol or a controlled substance, during the five-year period concluding on the date of execution of this contract, or during the pendency of this contract, shall not be permitted to operate a vehicle in which a person served pursuant to this contract is a passenger. For purposes of this section, "serious traffic offense" shall not include any offense deemed a "traffic infraction" under K.S.A. 8-2116 and 8-2118.

4) Any question concerning the interpretation of this subsection E and/or its application to an individual shall be referred to the Director of the Agency administering the funding of this agreement for the County. The Director's decision shall be final for purposes of compliance with this contract. The term "conviction" shall include convictions from any federal, state, local, military, or other court of competent jurisdiction, and shall include being placed into a diversion or deferred judgment program in lieu of prosecution. Contractor shall not be held accountable for cases in which diversions or deferred judgments are not reflected in an individual's criminal record, or for expunged convictions, if Contractor would have no other reasonable way of knowing of these acts.

F. Revocation. It is understood that this contract may be revoked at the discretion of the County if Contractor is in violation of Subsection E.

No penalty shall be assessed to the County for revocation of this agreement in the event of a breach of any portion of Appendix A, Section 2.

3. PROHIBITION OF CONFLICTS OF INTEREST.

A. Interest of Public Officials and Others. No officer or employee of County, no member of its governing body, and no other public official who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of this project shall participate in any decision relating to this contract which affects such person's personal interest or the interest of any corporation, partnership, or association in which such person is directly or indirectly interested; nor shall any officer or employee of County or any member of its governing body or other public official have any interest, direct or indirect, in this contract or the proceeds thereof.

B. Interest of Contractor. Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this contract.

C. Employee Conflicts. Situations in which (1) an employee of the County shall also be an employee of Contractor at the time of the agreement, (2) an employee of Contractor seeks additional/alternate employment with County during pendency of the agreement, or (3) an employee of County seeks additional/alternate employment with Contractor during pendency of the agreement, shall require written notice to the County at the addresses listed in Section 13 of the Agreement. The County shall make every effort to assure that such employees do not have any authority to approve (1) grant funds, (2) agreements, or (3) affiliate status to the Contractor or Contractor's competitors.

D. Notice to Bidders. Requests for proposal or invitations for bid issued by Contractor to implement this contract will provide notice to prospective bidders that County's conflict of interest provision is applicable in that contractors who develop or draft specifications, requirements, statements of work and/or RFP's for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award of such procurement.

4. FUNDING.

A. Reprogramming of Funds. It is understood and agreed that in the event the amount of funds the County actually receives from the County mill levy is less than anticipated, County may decrease the total compensation and reimbursement to be paid hereunder.

B. Inability to Perform Contract. It is further understood and agreed that in the event Contractor's rate of progress on this contract is leading to underspending due to inability to provide services at planned levels, County may decrease the total compensation and reimbursement to be paid hereunder or withdraw from the agreement.

C. Non-Supplanting Existing Funds. Contractor assures that grant funds made available under County mill levy grants and administered under this contract will not be used to supplant existing funds or other funding sources, but will be used to increase the amounts of those other funding sources.

D. Unexpended funds. It is agreed by Contractor and County that upon termination or expiration of the contract, any unexpended funds shall be returned to County.

5. RECORDS, REPORTS AND INSPECTION.

A. Documentation of Costs. All costs incurred by Contractor for which Contractor purports to be entitled to reimbursement shall be supported by properly executed payrolls, time records, invoices, contracts or vouchers, or other official documentation evidencing in proper detail the nature and propriety of charges. All checks, payrolls, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this contract shall be clearly identified and readily accessible to both parties to this agreement.

B. Maintenance of Records. Except as otherwise authorized by County, Contractor shall retain such documentation for a period of three (3) years after receipt of the final expenditure report under this contract, unless action, including but not limited to litigation or audit resolution proceedings, necessitate maintenance of records beyond this three (3) year period.

C. Reports. During the term of this contract, Contractor shall furnish to County, in such form as County may require, such statements, records, reports, data and information as County requests pertaining to matters covered by this contract. Payments to Contractor will be withheld by County if Contractor fails to provide all required reports in a timely and accurate manner, until such time as all reports are furnished to County. Incomplete reports may be considered a breach of this contract.

D. Audit. Contractor shall provide for an annual independent audit of its financial records and shall provide a copy of said audit to County, upon request. If not otherwise required by law to perform an audit and upon approval by County, Contractor may provide a copy of a financial balance sheet developed by a reputable accountant/accounting firm instead of a formal audit.

E. Availability of Records. Contractor agrees to make any and all of its records, books, papers, documents and data available to County, or the authorized representative of a State agency with statutory oversight authority, for the purpose of assisting in litigation or pending litigation, or making audits, examinations, excerpts, copies and transcriptions at any time during the terms of this contract and for a three (3) year period following final payment under the terms of this contract.

F. Contractor's Purchasing Procedure. Contractor certifies that it does not practice any form of discrimination based on race, ethnic origin, gender or religion or disability in its purchasing procedures. Contractor agrees to make available a written description of its purchasing procedures if requested by County.

G. Confidentiality. Both parties will comply with the provisions of State and federal regulations in regard to confidentiality of eligible participant records.

6. METHOD OF BILLING AND PAYMENT.

A. Billing Procedures. Contractor agrees that billings and payments under this contract shall be processed in accordance with established budgeting, purchasing and accounting procedures of Sedgwick County, Kansas. Subject to the maximum amount of compensation prescribed on Page 1, Section 3 of this contract, payment shall be made after the receipt of billing, and the amount of payment shall not exceed the maximum amount allowed by this contract.

B. Support Documentation. Billing shall be supported with documentation required by County including, but not necessarily limited to, that documentation described in Section Six (6) above.

C. Reimbursement Restrictions. Payments shall be made to Contractor only for items and services provided to support the contract purpose when such items and services are specifically authorized by this agreement. County reserves the right to disallow reimbursement for any item or service billed by Contractor if County believes that such item or service was not provided to support the contract purpose or was not authorized by the contract.

D. Pre-disbursement Requirements. Contractor must provide to County the documentation required pursuant to this contract prior to any disbursements being made by County to Contractor.

7. PARTICIPANT INPUT.

9. EPA APPROVED BUILDING.

Contractor will insure that the facilities under its ownership, lease or supervision which shall be utilized in the accomplishment of the contract are not listed on the Environmental Protection Agency's (EPA) list of Violating Facilities from the Director of the EPA Office of Federal Activities indicating that a facility to be used in the contract is under consideration for such listing by the EPA.

10. ACCESSIBILITY.

Contractor will comply with the Rehabilitation Act of 1973, as amended, Section 504, which prohibits discrimination against handicapped persons in employment services, participation and access to all programs receiving federal financial assistance. Contractor shall also comply with applicable requirements of the Americans With Disabilities Act (ADA), as amended, which is a federal anti-discrimination statute designed to remove barriers which prevent qualified individuals with disabilities from enjoying equal treatment by state and local governments and their agencies in employment practices and accessibility in public services and programs.

11. ASSIGNMENT.

13. PUBLICATION OF CONTRACT RESULTS.

A. Copyright. If this contract results in a book or other material which may be copyrighted, the author is free to copyright the work. In carrying out this contract, Contractor shall deny none of the benefits or services of the program to any eligible participant pursuant to K.S.A. 44-1001 *et seq.*

A. Contractor shall observe the provisions of the Kansas act against discrimination and shall not discriminate against any person in the performance of work under this contract because of race, religion, color, sex, disability, national origin, or ancestry.

B. In all solicitations or advertisements for employees, Contractor shall include the phrase "equal opportunity employer" or a similar phrase to be approved by the Kansas Human Rights Commission.

C. If Contractor fails to comply with the provisions of K.S.A. 44-1031, requiring reports to be submitted to the Kansas Human Rights Commission when requested by that Commission, Contractor shall be deemed to have breached this contract and it may be canceled, terminated or suspended, in whole or in part, by County.

D. If Contractor is found guilty of a violation of the Kansas act against discrimination under a decision or order of the Kansas Human Rights Commission which has become final, Contractor shall be deemed to have breached this contract and it may be canceled, terminated or suspended, in whole or in part by County.

All non-federal entities, including Sedgwick County, must determine whether the Contractor has been excluded from the system and any federal funding received or to be received by the County in relation to this agreement prohibits the County from contracting with any Contractor that has been so listed. In the event the Contractor is debarred or suspended under the SAM, the Contractor shall notify the County in writing of such determination within five (5) business days as set forth in the Notice provision in this agreement.
