Steve Stonehouse
18th Judicial District
3803 E Harry, Suite 125
Wichita, KS 67218

Dear Mr. Stonehouse:

Senate Bill 367, passed by the 2016 Kansas Legislature, is based upon a comprehensive examination of Kansas' juvenile justice system which developed data-driven policies based upon research and built upon consensus among key stakeholders from across Kansas. New research and new approaches have emerged to offer juvenile justice systems a wide range of effective and cost-effective options for protecting public safety, holding juvenile offenders accountable, and improving recidivism and other outcomes for children and families. The bill provides for a phased implementation of these new approaches between the summer of 2016 and July of 2019. As such, the Kansas Department of Corrections (KDOC) will amend grant processes to help sustain current approaches and to transition to these new approaches.

This letter is notification of the districts eligibility for grant funding during the first half of state fiscal year (FY) 2017. The funding is a continuation of the districts FY2016 Graduated Sanctions and Prevention block grant, and may be used during the period of July 1, 2016 through December 31, 2016.

The below funding allocation is based upon one half of the districts approved FY16 budget, including any budget adjustments submitted to KDOC as of this date.

Your district's Prevention allocation is: \$ 83,663.64

Your district's Graduated Sanctions allocation is: \$ 1,442,056.94

The KDOC has begun the work specified by SB367, some which includes development of new approaches that will be effective in January 2017. Over the summer the specified collaborations with the office of judicial administration and the development of standards for these new approaches will be addressed. That work will also include development of funding opportunities for the period of January 1, 2017 through June 30, 2017.

The enclosed documents provide the additional information needed for the district to accept this grant award. This includes; instructions for accepting or modifying the budget, the Conditions of the State Block Grant Amendment, and the districts Juvenile Services Fiscal

Workbook. At any point that you may have questions regarding this process, please feel free to contact Suhaib Ali, Accountant for Juvenile Services, at 785-296-5699 or Suhaib.Ali@doc.ks.gov.

In closing, please note that the Legislature is scheduled to reconvene beginning on April 27, 2016 to complete the work of the 2016 legislative session. If actions in that process require KDOC to modify this level of funding, we will promptly provide you notice.

Sincerely,
