## Wichita-Sedgwick County Metropolitan Area Building and Construction Department

Dear Commissioners:

A fire caused substantial damage to the property at 16511 W 87<sup>th</sup> Street South, Clearwater, Kansas, which is in the unincorporated area of Sedgwick County. The damage resulted in a total loss and Sedgwick County has received 15 percent of the insurance proceeds, pursuant to state law and local building code provisions. It is my belief that said property is unsafe and dangerous.

Sincerely,

Tom Stolz
