Dear Gregory and Debbie Rausch:

Sedgwick County received a check from Farm Bureau Financial Services in the amount of \$9,000 on May 13, 2016 regarding fire damage that occurred to your property at 16511 W 87<sup>th</sup> Street S.

We understand that you have had a number of conversations with Sedgwick County staff regarding this matter, but we are also required to inform you in writing that Sedgwick County has procedures in place, as authorized by Kansas Statutes, which can authorize the County to utilize the insurance proceeds it has received to make the property safe. Those procedures are enclosed. However, the preference of the County would be for you to undertake any actions required to make the property safe and secure as soon as possible. The decision as to whether the County will begin legal proceedings to utilize the insurance proceeds to make the property safe and secure must be made by June 7, 2016.

Please contact our office if you have any questions.

Respectfully,
