On the recommendation of Kimberly Evans, on behalf of Facilities, Jennifer Dombaugh moved to **accept the low bid from Bauer & Son Construction Company, Inc. in the amount of \$738,600.00.** Tim Kaufman seconded the motion. The motion passed unanimously.

This is new construction of an additional EMS Post at 5055 S. Oliver next to an existing Fire Station.

The southeast region of Wichita and Sedgwick County, including the City of Derby have experienced an 18% increase in call demand over the past three years. Recent projections indicate that the development and growth of the area will continue expanding with residential housing, businesses, and medical facilities such as physician offices, out-patient clinics, assisted living facilities and skilled nursing homes.

In order to meet locally agreed upon and nationally accepted response time targets and to address critical public safety needs to the expanding southeast corridor, a staff facility that provides 24/7 coverage is warranted.

Questions and Answers

David Spears asked: "Do we have an architect's estimate on what this might cost and is this within the budget?"

Robert Lawrence, Facility Project Services responded: "This is within the project budget and the architect's estimate was \$811,000."

* Two sets of manuals are provide at no charge by Fairbank Equipment, Inc.

** One set of manuals is provided at no charge by American Equipment Co.

Questions and Answers

Tim Kaufman asked: "The reason that Morbark is non-responsive is because they did not bid for repair and servicing?"

Joe Thomas responded: "Right."

Tim Kaufman asked: "And that was part of the request?"

Joe Thomas responded: "Yes, correct."
