September 30, 2016

Lynne Vigil, Mayor
City of Sedgwick
511 N. Commercial
P.O. Box 131
Sedgwick, KS 67135

Honorable Mayor Vigil,

Sedgwick County Transportation (SCT) has provided safe, affordable, accessible, door-to-door general public transportation to citizens of the city of Sedgwick and other areas designated as rural within Sedgwick County since 1995. SCT receives funding from Sedgwick County government, the Kansas Department of Transportation and the Federal Transit Administration (FTA). Demand for transportation services is increasing in Sedgwick County and the County is committed through our partnership with KDOT and FTA to offer access to public transportation through the FTA 5311 program.

Transportation is essential to access medical care, groceries, social services, and other important needs for health and wellness. Sedgwick County is applying for continued operating assistance under 49 U.S.C. § 5311 of the Federal Transit Act for their rural transportation program to continue providing this critical service that helps persons who cannot or choose not to drive maintain their mobility. This is the only subsidized, affordable transportation available in areas outside the city of Wichita within Sedgwick County for a reasonable fare of \$3.00 one-way. A private transportation provider with wheelchair accessibility can cost upwards of \$148.50 one-way from city of Sedgwick to Wichita. If the rider needs to transport oxygen bottles the price goes up based on the size and number of oxygen bottles.

Sedgwick County Department on Aging, SCT is requesting your written support of their rural general public transportation program. A sample letter of support is enclosed for your consideration. Please return the letter of support by October 14, 2016 to Sedgwick County Department on Aging, Attention: Craig Perbeck, 2622 W. Central Ave., Suite 500, Wichita KS, 67203.

If you and the council would like to review and comment on the funding application please contact me at 316.660.5158 or craig.perbeck@sedgwick.gov. Additional information regarding SCT program is available at the following internet website www.sedgwickcounty.org/aging/transportation.asp.

Sincerely,

A handwritten signature in black ink that reads "Craig Perbeck".
