NOW, THEREFORE, in consideration of the following mutual conditions, covenants and promises contained herein, the parties hereto agree as follows:

4. **Period of Service.** Services pursuant to the Treecycle Program shall be available on or about December 22nd of each year of this Agreement through and including January 23rd of the subsequent year (i.e., from December 22, 2016, through and including January 23, 2017).

5. **Site Set-Up and Maintenance.** All TreeCycle sites shall be set up and ready to receive trees from the general public by five o'clock pm (5:00 pm) on December 22nd of each year of this Agreement. Each site shall be marked by signs that are clearly and easily visible to the general public and that are posted in accordance with the applicable sign code. City shall be responsible for obtaining and maintaining such signs for and throughout each TreeCycle event.

6. **Grinding.** County agrees that all trees brought to or within one hundred (100) feet of any site(s) during the period of service (as that term is defined in Section 4 hereof) will be ground into a medium-grade mulch. This grinding shall occur at least twice during each period of services, or more frequently as may be required so as not to allow the trees to become a nuisance or danger to any surrounding homes and/or businesses. Grinding shall be accomplished using one or both of the following

methods: (1) grinding the trees on site and leaving the resulting mulch at the site, or (2) hauling the trees offsite for grinding and returning the resulting mulch to the site(s).

7. **Mulch.** The mulch created from the grinding of trees shall be deposited at the site(s) for the general public to pick up and take for its use. Said mulch shall not be placed on any sidewalks, parking areas or in any location where it will interfere with public access. Mulch shall be easily available for the public to load. Mulch shall not be supplied to contractors, subcontractors, vendors or commercial entities.

8. **Handling of Material.** County shall be responsible for providing all means of handling trees and delivering the resulting mulch back to the site(s). City shall not be required to, but may agree to, assist in the handling of the trees and/or resulting mulch in any way whatsoever, including the loading or unloading of the trees or mulch or the hauling of the trees or mulch.

9. **Damage to Equipment.** City is not responsible for any personal or property damage that might result from any foreign material being mixed in with the tree debris brought to the site(s). It is County's responsibility to inspect the trees prior to grinding and to remove and dispose of any foreign object and/or materials therein.

10. **Compensation.** Both parties agree that no compensation or remuneration shall be exchanged, requested or expected for activities in connection with this Agreement. At no time shall any representative from the City be construed as a County employee or eligible, under any circumstances, for any County benefits, including, but not limited to, workers compensation. 3. **Termination Due To Lack of Funding Appropriation:** If, in the judgment of the Chief Financial Officer, sufficient funds are not appropriated to continue the function performed in this Agreement and for the payment of the charges hereunder, County may terminate this Agreement at the end of its current fiscal year. County agrees to give written notice of termination to Contractor at least thirty (30) days prior to the end of its current fiscal year, and shall give such notice for a greater period prior to the end of such fiscal year as may be provided for in the Agreement, except that such notice shall not be required prior to ninety (90) days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided to County under the Agreement. County will pay to Contractor all regular contractual payments incurred through the end of such fiscal year, plus contractual charges incidental to the return of any related equipment. Upon termination of the Agreement by County, title to any such equipment shall revert to Contractor at the end of County's current fiscal year. The termination of the Agreement pursuant to this paragraph shall not cause any penalty to be charged to the County or the Contractor.

Notwithstanding any language to the contrary, no interpretation shall be allowed to find the County has consented to a jury trial to resolve any disputes that may arise hereunder. Contractor waives its right to a jury trial to resolve any disputes that may arise hereunder. No provision of any Agreement and/or this Contractual Provisions Attachment will be given effect which attempts to exclude, modify, disclaim or otherwise attempt to limit implied warranties of merchantability and fitness for a particular purpose.
7. **Representative's Authority to Contract:** By signing this Agreement, the representative of the Contractor thereby represents that such person is duly authorized by the Contractor to execute this Agreement on behalf of the Contractor and that the Contractor agrees to be bound by the provisions thereof.

Contractor shall pay all taxes lawfully imposed on it with respect to any product or service delivered in accordance with this Agreement. County makes no representation as to the exemption from liability of any tax imposed by any governmental entity on the Contractor.

Contractor must comply with all the requirements of the Kansas Open Records Act (K.S.A. 42-215 *et seq.*) in providing services and/or goods under this Agreement.
