BOARD OF BIDS AND CONTRACTS FEBRUARY 9, 2017

On the recommendation of Joseph Thomas, on behalf of Corrections, Jennifer Dombaugh moved to **accept the proposal from EH Technical Solutions, Inc. and establish contract pricing at the rates listed above for one (1) year, with three (3) one year options to renew.** Tim Kaufman seconded the motion. The motion passed unanimously.

A review committee consisting of Chris Morales - Corrections, Tom Struble - Drug Court, Jennise Jenkins - Juvenile Field Services and Britt Rosencutter - Purchasing evaluated all proposals. Two (2) vendors were shortlisted, EH Technical Solutions, Inc. and SourceOne Management Services, Inc. The committee unanimously chose EH Technical Solutions, Inc. The selection criteria included qualifications outlined by the RFP: pricing, references, experience, methodology, approach to staffing, supervision, security issues and overall quality of the proposal.

Note:

EH Technical Solutions, Inc. is a locally owned and operated company and has had past experience working with Sedgwick County.

Service Types A and B are levels of cleanliness, cleaning frequency, population, usage and type of area (bathroom, office, etc.).

Annual Spend 2016 = \$36,497.52

Questions and Answers

Tim Kaufman - I would like to understand more about the shortlist decision because it would appear that Tammy Richards dba Amazing Touch Cleaning is lower price-wise.

Chris Morales, Dept. of Corrections - One of the reasons that we did not select Amazing Touch Cleaning for the shortlist is that we didn't feel that they completely answered all of the questions. Their proposal was pretty short including some certificates - just some very brief information. We didn't feel like we had enough from them as compared to the others. Another reason is they currently have 6 to 8 employees where EH Technical Solutions has 18 and we felt they would be able to get up and running a lot quicker.

On the recommendation of Kristen McGovern, on behalf of Enterprise Resource Planning, Tim Kaufman moved to **accept the quote from SAP Public Services, Inc. in the amount of \$460,516.17.** Jennifer Dombaugh seconded the motion. The motion passed unanimously.

SAP Enterprise Support pricing is based on the number and types of licenses (standard and professional) currently in use by the county and may fluctuate from year to year.

Last year the county spent the same amount on this maintenance.
