INTRODUCTION

It is recognized that law enforcement agencies have the primary duty to investigate situations involving criminal activities, and that the Kansas Department for Children and Families has the principle duty to investigate situations of suspected child abuse and/or neglect. [K.S.A. 38- 2226]. It is also recognized that there is a statutory duty for such agencies to cooperate in such investigations and freely exchange information when it appears that both a crime has been committed and a child has been abused. POLICY AND SCOPE OF ACTIVITIES

Mission: The mission of the Exploited and Missing Child Unit is to investigate child abuse and missing or abducted children, identify offenders and present evidence for the prosecution of violators of any applicable laws with the least amount of trauma to the child victims. They will also provide services and facilitate available resources to the victims and their families.

Scope of Operation: EMCU is responsible for investigation of and preparation for criminal prosecution of the following cases occurring in the unincorporated areas of Sedgwick County, Kansas, the city limits of Wichita, Kansas or when requested by another agency.

1. Cases involving allegations of sexual assault (unless there is a death associated) where the victim is under the age of sixteen (16) years;
2. Cases involving allegations of incest where the victim is under the age of eighteen (18) years.
3. Cases involving allegations related to missing children where the child is under the age of eighteen (18) years.
4. Cases involving allegations of physical abuse where the child is under the age of eighteen (18) years (unless the abuse results in a death).
5. Cases involving human trafficking where the victim is under the age of eighteen (18) years.

When an investigation originated by EMCU is found to be outside the scope of the activities of EMCU, such information as has been obtained will be immediately supplied to the appropriate law enforcement agency and/or the Wichita Area DCF.

When the investigation has produced sufficient evidence to indicate the prosecution of the perpetrator of the abuse or exploitation of a child may be warranted, EMCU will present such information to the United States Attorney's, District Attorney's, or Municipal Prosecutor's Office for determination as to whether commencement of criminal prosecution or proceedings under the Kansas Juvenile Offenders Code will occur. If the evidence indicates that the child has been exploited or abused by a family member and the custodial parent(s) have failed to adequately protect the child from abuse or exploitation, an EMCU member or a Social Worker assigned to that case shall also present such evidence obtained to the District Attorney's office for the purpose of requesting a petition alleging the child to be "a child in need of care" as defined in the revised Kansas Code for the Care of Children. (K.S.A. 38-2201).

Any investigation commenced by the Wichita Police Department or the Sedgwick County Sheriff's Office in which it appears that the crime committed was one that falls into the investigative venue of EMCU-ICAC, it shall be turned over to EMCU for the conclusion of the investigation. Investigations commenced by EMCU

that reveal that the crime committed is not in their investigative venue, the investigation shall be turned over to and concluded by the appropriate law enforcement agency.

The investigation of reports of missing children shall be conducted by EMCU. These cases may involve reported missing children, voluntarily missing children or when the reported circumstances of the child's disappearance suggest abduction or other involuntary action on the part of the child.

In those instances where there are multiple crimes, some of which are those in the investigative venue of EMCU, or that in a particular case the investigation may be beyond the capabilities of EMCU and/or require the assignment of other investigative personnel, the Wichita Chief of Police or the Sedgwick County Sheriff may direct that further criminal investigation be done, either jointly between EMCU and the appropriate law enforcement agency, or that the investigation be done by resources other than EMCU.

EMCU-ICAC shall be immediately notified of any case alleging abuse in which a child has been taken into custody on probable cause to believe the child to be a "child in need of care" as authorized by K.S.A. 38-2231(b). EMCU, or a representative from law enforcement EMCU- ICAC in conjunction with an assigned DCF Worker outside of EMCU shall be responsible for follow-up investigation and recommendation to the District Attorney regarding whether or not a petition should be filed.

Concept of Operation: The establishment of EMCU is based on the concept of team investigation with each investigative team consisting of a law enforcement officer and a social worker. It is not perceived that EMCU will operate as an autonomous unit, but rather will present a coordinated and cooperative effort between law enforcement and social service agencies, with a free exchange of information between EMCU and the parent organizations.

Personnel – Assignment, Pay and Personnel Rules: All personnel assigned to work in EMCU shall remain on the payrolls of the parent organization from which assigned and shall be subject to the personnel rules of that parent organization. The decision on what persons shall be assigned to EMCU shall be the prerogative of the head of that parent organization.

Location of EMCU: EMCU WILL BE LOCATED AT THE Child Advocacy Center of Sedgwick County, 1211 S. Emporia, Wichita, KS 67211. The three parent organizations are committed to remaining in a co-located facility to maximize the multi-disciplinary team concept.

News Media Contact: The Director of Operations or the Law Enforcement Supervisor shall have authority to release information to the news media, with consideration for Supreme Court Trial Publicity regulations or other rules and regulations governing the dissemination of information. Releases of information shall not conflict with established dissemination policies of the agencies by which those personnel are employed. Inquiries regarding policy governing the overall operation of EMCU should be referred to the Director of Operations or any EMCU Executive Committee voting member.

Non-discrimination and Equal Opportunity Statement: All parties to this MOU agree to comply with the Kansas Human Rights Commission requirements that are defined as:

1. All parties shall observe the provisions of the Kansas act against discriminations and shall not discriminate against any person in the performance of work under the present memorandum of understanding because of race, religion, color, sex, disability, national origin or ancestry.
2. In all solicitations or advertisements for employees, all parties shall include the phrase, "equal opportunity employer," or a similar phrase to be approved by the commission.
3. If any party fails to comply with the manner in which said party reports to the commission in accordance with the provisions of K.S.A. 44-1031 and amendments thereto, said party shall be

5. All parties shall include the provisions of subsections (a)(1) through (4) in every agreement or purchase order arising out of this memorandum so that such provisions will be binding upon any such subcontractor or vendor.

Funding of EMCU: The three parent organizations agree to cover the cost of administrative support services with the State Department for Children and Families, the Wichita Police Department and the Sedgwick County Sheriff's Office each providing 33 1/3 % of that funding, but with the stipulation that DCF's paid share of such expenses shall not exceed a maximum dollar figure to be separately contracted among the parties for calendar year 2017, which is a maximum amount that the parties will re-negotiate annually. Annual Budget information will be included at each quarterly meeting. Due to the cooperative efforts of the organizations involved, the Executive Committee will set the Budget of EMCU at the January or April meeting. Once approved, the budget will be forwarded to the Budget Coordinator.
