RE: Statement of Available Funds in the Register of Deeds Technology Fund Pursuant to
K.S.A. 28-115a

Chairman Unruh,

In accordance with K.S.A. 28-115a, I have determined that the balance in the Register of Deeds Technology Fund at the end of the 2016 calendar year is greater than \$50,000.00, and that \$300,000.00 is not needed by the Register of Deeds office for technology purposes. K.S.A. 28-115a thereby provides the Board with the authority to transfer those funds from the Register of Deeds Technology fund to a county fund to be used by other county offices for equipment or technological services relating to the land or property records filed or maintained by the county.

Sincerely,

A handwritten signature in cursive script that reads "Tonya Buckingham".
