Contractor must comply with all the requirements of the Kansas Open Records Act (K.S.A. 42-215 *et seq.*) in providing services and/or goods under this Agreement. Contractor shall accept full responsibility for providing adequate supervision and training to its agents and employees to ensure compliance with the Act. Part 180) a person or entity that is debarred or suspended in the System for Award Management (SAM) shall be excluded from federal financial and nonfinancial assistance and benefits under federal programs and activities.
