**Consultant & Contract Budget Justification Narrative - Staff**

The WPD investigator is currently assigned to the Task Force and investigates Internet and Computer related cases. These investigations are conducted in both a reactive and proactive fashion. During the next fourteen (15) months this investigator will conduct training throughout the State of Kansas to assist in building investigative capacity in the exploitation of children. The request is to continue the funding of this position which is for 15-month period. This budget covers 14 months of costs as July was covered by the previous grant award. Since this position is with the City of Wichita Police Department and the grant is awarded to the Sedgwick County Sheriff's Office these costs are considered contractual as they will be paid to the WPD through an MOU or contract arrangement.

**Consultant & Contract Budget Justification Narrative - Vehicles**

The investigators currently have a total of 3 vehicles: 2 cars and a sport utility that is utilized for recovering evidence as well as transporting a mobile computer lab to training sites through out Kansas. One car is used by the Sergeant and the other is utilized for surveillance, responding to crime scenes and contacting persons for interviews. WPD is requesting for 12 months additional funding for maintenance, service, and insurance on Investigator's vehicles.
