**Project:** PSH Consolidated Grant

## **Before Starting the Project Application**

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/ policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.

To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.

- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.

Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.

- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.

 Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size

as approved in the final HUD-approved Grant Inventory Worksheet (GIW).

- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.

- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## **Information About Submission without Changes**

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

## **Recipient Performance**

- 1. Has the recipient successfully submitted Yes the APR on time for the most recently expired grant term related to this renewal project request?
- 2. Does the recipient have any unresolved No HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?
  - 3. Has the recipient maintained consistent No Quarterly Drawdowns for the most recent grant term related to this renewal project request?

Explain why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request.

MHA is currently operating FY17 grant and has been unable to drawdown due to grant agreement amendments not yet fully processed. Amendments have been signed by both agencies and HUD regional office is in process of finalizing agreements so MHA can access grant and drawdown funds.

4. Have any Funds been recaptured by HUD No for the most recently expired grant term related to this renewal project request?

**Project:** PSH Consolidated Grant

#### **Renewal Grant Consolidation Screen**

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

- 1. Is this project application requesting to be yes part of a renewal grant consolidation in the FY 2018 CoC Program Competition?

  If "No" click on "Next" or "Save & Next" below to move to the next screen.
- 2. Is this an individual project application or a fully Consolidated fully consolidated project application?

# 3B. Project Description

# 1. Provide a description that addresses the entire scope of the proposed project.

COMCARE will provide PSH using a Housing First approach for 19 chronically homeless individuals who have a co-occurring mental illness and substance use disorder. The project's goal is to effectively address the complex needs of the chronically homeless by offering strengths based and integrated dual diagnosis strategies/services to improve housing stability and access to mainstream resources. Research has shown that people who are dually diagnosed have the most difficulty maintaining housing and accessing services. COMCARE will lease scattered-site, one-bedroom apartments from a community landlord. Residents will sublet units from COMCARE. Referrals for Safety Net will come from HMIS Coordinated Assessment/Screening System (CASS), referrals through PATH outreach workers and other COMCARE programs. Any vacancies will be dedicated to prioritize chronically homeless individuals. Residents will be supported to remain in PSH until they elect to move on to other safe affordable permanent housing. Apartments will be within walking distance of public transportation and other amenities. PSH participants will be encouraged to participate in mental health services including individual/group therapy, case management, med management, addiction treatment services as well as independent living skills training. Residents will be referred to any other community resources which may be helpful in their recovery, such as representative payee services, legal aid & recreational opportunities. Residents will develop an individualized treatment plan to recover from mental illness/substance use. Treatment plans may include goals to stabilize mental health symptoms, harm reduction, supported employment, supported education, in order to increase self-sufficiency. Residents will be involved in the project's decision making/operations through ongoing project evaluation and consumer feedback meetings comprised of homeless/previously homeless persons. COMCARE intends to transfer consolidated project to Mental Health Association in 2018.

A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

(1) experiencing chronic homelessness as defined in 24 CFR 578.3;

(2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;

(3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;

(4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project:

(5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
