

From Rick Moyer MinnehaTownship County Treasurer

Dear Commissioner Unruh,

Please accept my resignation as the treasure for the MinnehaTownship township as of **23** October 2018. I have performed this Duty for 9 years plus and found it to be a great job and interesting I have enjoyed working with the board and feel it's time for me to step down due to personal reasons I believe there will be some other candidates out there that will be suited for this position. I would like to recommend Chris Carlson from the Springdale Lakes improvement District. I think he would be a good choice in replacing me. I will be glad to assist the next person performing this postion and providing them with any information they may need. As I realize that there needs to be some type of transition into this position. Please feel free to contact me anytime to make this a smooth departure.

Respectfully,
