DER2015-00001: COMMUNITY INVESTMENTS PLAN 2015-2035. (ALL DISTRICTS).
Presented by: Dale Miller, Director, Metropolitan Area Planning Department.

RECOMMENDED ACTION: Approve the Community Investments Plan 2015-2035, dated November 19, 2015, as the new Wichita-Sedgwick County Comprehensive Plan, including those neighborhood and area plans itemized on Attachment "C" to the resolution of the Wichita-Sedgwick County Metropolitan Area Planning Commission, authorize the Chairman to sign the resolution and authorize the resolution to be published

Background: In 2011, the City of Wichita and Sedgwick County initiated a process to develop the Community Investments Plan to replace the current joint City and County Comprehensive Plan which dates back to 1993. A more current and relevant plan is needed to provide a policy framework and set priorities to guide future public investments in municipal buildings and infrastructure out to the year 2035.

In 2012, the City and County partnered with WSU to undertake a comprehensive assessment of all City and County infrastructure and facilities. A Plan Steering Committee was also jointly appointed by the Wichita and Sedgwick County Managers in late 2012 to begin the development of a new joint comprehensive plan. Seven of the 18-member Steering Committee are also members of the Metropolitan Area Planning Commission (MAPC).

During 2013 and 2014, the Steering Committee developed and evaluated three possible long-term growth scenarios for Wichita. Following an extensive community engagement process in the spring and summer of 2014, a preferred growth scenario was selected by the Committee to serve as the basis for the development of the new comprehensive plan.

In March 2015, the Steering Committee released the draft *Community Investments Plan 2015-2035* for public review and feedback. The Planning Department organized four public open house events and provided over 40 presentations (April through June) to over 700 people on the draft Plan. Feedback was also received through the *Activate Wichita* website. The Steering Committee met in late June to finalize changes to the draft Plan based upon feedback received from the community engagement process and two workshops held with the Wichita City Council in April and June. Also in late June and early July, staff briefed the members of the Sedgwick County Board of Commissioners on the draft Plan.

Notice of a public hearing date of August 20, 2015, for the MAPC to consider the proposed adoption of the final draft *Community Investments Plan 2015-2035* as the new Comprehensive Plan for Wichita-Sedgwick County was published in the official City and County newspaper on July 30, 2015. In early August 2015, staff presented the final draft of the Community Investments Plan to the six District Advisory Boards (DAB's) for the City of Wichita. All six DAB's voted unanimously to recommend that the Plan be adopted as the new comprehensive plan for Wichita and Sedgwick County. At the public hearing held on August 20, 2015, the MAPC unanimously approved a resolution adopting the *Community Investments Plan 2015-2035* as the new Comprehensive Plan for Wichita-Sedgwick County. Existing adopted neighborhood and area plans were also adopted as elements of the new Plan. The Plan does not take effect until it is approved by the governing bodies of the City of Wichita and Sedgwick County.

On October 6, 2015, the City Council considered a recommendation to approve the Community Investments Plan 2015-2035. Council passed a motion to defer action on the Plan until the November 10, 2015 Council meeting in order to see what action the County Commissioners take on the Plan at the November 4, 2015 County Commission meeting.

On November 4, 2015, the County Commissioners passed a motion (3-2) to return the Plan to the MAPC with the attached list of recommended Plan changes. Given this action by the County Commissioners, the Wichita City Council passed a motion (5-0) at the November 10, 2015 Council meeting to return the Plan to the MAPC for further consideration of the Plan changes recommended by the County Commissioners, but with the recommendation that the Plan stay as originally adopted by the MAPC on August 20, 2015.

On November 12, 2015, the Advance Plans Committee met to consider the merits and appropriateness of the County Commission and the Wichita City Council recommended changes to the Plan. The Committee submitted for consideration by the MAPC the attached recommended action/response to the Plan changes as recommended by the governing bodies.

On November 19, 2015, the MAPC considered the Plan changes recommended by the governing bodies and the recommendation of the Advance Plans Committee. Public comment on the recommended changes was heard. The MAPC voted (10-3) to amend the *Community Investments Plan 2015-2035*, dated August 20, 2015, and adopt the *Community Investments Plan 2015-2035*, dated November 19, 2015, as the new Comprehensive Plan for Wichita-Sedgwick County. Existing adopted neighborhood and area plans were also adopted as elements of the new Plan. The Plan

does not take effect until it is approved by the governing bodies of the City of Wichita and Sedgwick County. On December 8, 2015, the Wichita City Council approved the Community Investments Plan as amended and adopted by the MAPC on November 19, 2015.

Analysis: The attached *Community Investments Plan 2015-2035*, dated November 19, 2015, adopted by the MAPC is recommended to the Board of Sedgwick County Commissioners for approval as the new joint comprehensive plan for Wichita-Sedgwick County. It is a high-level policy plan that provides guidance for future growth, sets overall community investment priorities, and provides a decision-making framework to guide future public infrastructure investment decisions.
