Grant Summary and Timeline: The Participating Community Mental Health Center Contract is the primary funding contract for COMCARE from the State of Kansas Department of Aging and Disability Services (KDADS). The contract establishes COMCARE as a participating community mental health center (CMHC), and also designates it as the mental health authority for Sedgwick County.

The agreement describes the responsibilities, compensation amounts, and the necessary services COMCARE must provide as a participating mental health center. These services include case management, attendant care, psychosocial rehabilitation, and an array of crisis services, which COMCARE must make available to adults with a severe and persistent mental illness and to children with a serious emotional disturbance. The contract also includes performance outcomes COMCARE must achieve through its community mental health services. There are no significant changes in the fiscal year 2019 contract. The total funding award is \$7,559,132.

Budget Authority Adjustment: Additional budget authority in the amount of \$804,547 is being requested for fiscal year 2019.

Personnel considerations: No additional personnel will be required.

Expected measurable outcomes: The contract specifies the necessary outcomes COMCARE must achieve through its community mental health services, including vocational status, residential status, and readmissions to inpatient treatment facilities. Through the contract, COMCARE is required to provide an array of supports to adults with severe and persistent mental illness and to children with a serious emotional disturbance to achieve these outcomes.

Alternatives: Without this agreement with the State, COMCARE would no longer be the mental health authority for Sedgwick County, would no longer be able to bill Medicaid for community based services, and would no longer receive significant grant support for its work with uninsured mentally ill residents of Sedgwick County.

Policy considerations: All Sedgwick County policies have been followed in the development and review of this contract.

Legal considerations: The authority for this action is K.S.A. 19-101, et seq., and K.S.A.19-4001, et seq., and a simple majority vote is required.
