Resolution for the Allocation and Interfund Transfer of Unexpended 2016 Budget Authority to the Equipment Reserve Fund and Sales Tax Road and Bridge Fund.

Recommended Action: Adopt the resolutions.

The Equipment Reserve Fund may be used for the acquisition of equipment, machinery, vehicles, computer hardware, software, software design and implementation, or personal property. It (K.S.A. 19-196) further allows for the interfund transfer of monies to the Sales Tax Road and Bridge Fund, which may be used to fund road and bridge projects.

Based on projected 2016 year-end budget authority balances and organizational needs, the projects requested for transfer to the Equipment Reserve Fund are:

| <u>Fund Transferred From</u> | <u>Project</u> | <u>Amount</u> |

| <u>Fleet Management</u> | | <u>Ambulances</u> |
| <u>\$840,000</u> | | |
| | Total | |
| \$864,000 | | |

Based on projected 2016 year-end budget authority balances and organizational needs, a transfer from the General Fund to the Sales Tax Road and Bridge Fund in the amount of \$543,217 is also requested.

Alternatives: Do not approve the interfund transfers.
