Eight vendor contracts to provide in-home services for the Senior Care Act Program (SCA).

Recommended Action: Approve the contracts and authorize the Chairman to sign.

Background: The eight contracts are for the Senior Care Act Program (SCA). The SCA program provides assessment, case management and in-home services. Consumers share in the cost of services based on their income. Co-pay amount is determined based on a sliding fee scale. The SCA program assists residents in need of attendant care, homemaker and personal emergency response services allowing them to remain in the community and in the home environment of their choice.
