AGREEMENT FOR SERVICES AS EMERGENCY MEDICAL SYSTEM SERVICES DIRECTOR.
Presented by: Marv Duncan, Director, Public Safety Division.

RECOMMENDED ACTION: Approve the agreement and authorize the Chairman to sign.

Background: To maintain an integrated, unified system of pre-hospital care in Sedgwick County, hiring a full-time medical director with oversight of all of the major system components (Emergency Medical Services, Emergency Communications, Sedgwick County Fire District 1 and the Fire Department) is critical. This was recognized in 2002 during a comprehensive EMS study by Health Analytics that found a full-time medical director was a major component needed to achieve seamless system function and consistency of training, quality assurance and medical direction. The Medical Society of Sedgwick County strongly endorsed (and still does) this recommendation. Furthermore, a 2003 EMS service agreement between the City of Wichita and Sedgwick County also calls for a full-time EMSS Medical Director funded by the County.

To begin the process of replacing our outgoing Medical Director, a vacancy was posted in early January through March of this year and was also advertised nationally. Applicants were subjected to a very deliberate, in-depth screening and selection process involving all of the participating agencies: senior management from Wichita, Sedgwick County and the Medical Society of Sedgwick County. The physician selected, John M. Gallagher M.D., is currently a practicing EMS Medical Director, is board certified in Emergency Medicine and has a passion for EMS. He completed a specialized EMS track during residency and was mentored by the Pennsylvania State EMS Medical Director.

Initial salary rate will be \$193,576. Upon the execution of this agreement, the County agrees to buy out the remainder of the physician's financial obligation under his current employment contract with a lump sum payment of \$47,732. Moving and relocation expenses of up to \$13,000 will also be provided.

Alternatives: County can reject the agreement and continue the search for a Medical Director.

Financial Considerations: Costs will be paid from 10002-110 (EMSS cost center) to cover salary, benefits, the lump sum payment and relocation costs. Salary will be \$193,576 annually and will be prorated for 2015.

Legal Considerations: The authority for this action is K.S.A. 19-101, et seq. A simple majority vote is required. A full-time medical director meets the requirement of the Wichita/Sedgwick County Emergency Medical Services Agreement dated Nov. 5, 2003.

Policy Considerations: N/A

Outside Attendees: Representatives from the Medical Society of Sedgwick County will be in attendance.

Multimedia Presentation: N/A
