Amendment of the Benefits Plan Retail Fees to the Participation Agreement between Careington and the Sedgwick County Health Department.

Recommended Action: Approve the amendment and authorize the Chairman to sign.

Background:

On February 18, 2015, the Board of County Commissioners approved a county sponsored agreement for the Health Department with the Careington International Corporation to participate in the MyCountyCares Program and distribute discount prescription, health, and dental cards to Sedgwick County residents.

The Benefits Plan Retail Fees (Schedule 3) of the participation agreement identifies the service plans specific to the MyCountyCares program, cost to participate, and the product codes associated with various vendors who provide the discounts to the consumers participating in the program. Careington has updated several vendor codes within their inventory system and has requested the original agreement be amended to incorporate the new changes.
