Date	Ver.	Action By	Action	Result
2/10/2016	1	Board of Sedgwick County Commissioners	Approved on the Consent Agenda	

**Resolution authorizing the establishment and installation of traffic control devices at certain intersections of township roads within Illinois Township, and providing for the enforcement thereof. District 3.**

Recommended Action: Adopt the Resolution.

Mark Borst, Traffic Engineer:

We reviewed the intersection, and counts were taken to determine the incoming split of traffic. Counts are typical for township roads, and 47th Street South has the lowest incoming count. Therefore, I suggested yield control as it is the least restrictive. The township has concurred, and a resolution has been prepared.
