Agreement with the Kansas Department on Aging and Disability Services and the Area Agency on Aging for the Senior Care Act (SCA) FY 2017.

Recommended Action: Approve the agreement, and authorize the Chairman to sign.

Background: The Central Plains Area Agency on Aging (CPAAA) will enter into a Senior Care Act (SCA) Service Provider Agreement with the Kansas Department on Aging and Disability Services (KDADS). The agreement details how the Area Agency will provide in-home services to residents of Kansas 60 years of age or older who have functional limitations which restrict their ability to carry out activities of daily living and impede their ability to live independently. The SCA program was established by the Kansas Legislature to assist older Kansans who have functional limitations in self-care and independent living and are able to reside in a community-based residence with services provided. The SCA program provides assessment, case management, and in-home services to persons who contribute to the cost of services based on their ability to pay.

Participating consumers access care through assessment and case management. Services are provided to meet the individuals need, the services available through the program include: attendant care (supervision and/or assistance with bathing, medication management, dressing, personal appearance, feeding, transferring, and toileting under the direction of a licensed health professional); homemaker services (assistance to clients having difficulty performing activities such as preparing meals, shopping, managing money, using the telephone, light housework, and laundry); personal emergency response management and installation (systems which provide 24-hour on-call medical or emergency assistance and needs that could become critical at any time); as well as custom care items (specific purchases that will assist the client in maintaining their independence, such as incontinence supplies, home modifications, etc.).

Alternatives: Not approving this agreement would risk the funding for critical programming for seniors in Sedgwick, Harvey, and Butler counties.

Financial Considerations:

Agreement Period Starts: July 1, 2016

Agreement Period Ends: June 30, 2017

Source of Funding:

State Revenue: \$ 792,441

Required Match: \$ 66,827 (Sedgwick, Harvey and Butler Counties)

Program Income: \$ 50,000

TOTAL SOURCES: \$ 909,268

Cost Center#/Fund Center: 34055-254/340556-17 Senior Care Act

Uses of Funding:

Personnel: \$ 134,785

Contractual Services: \$ 718,486

Administration: \$ 55,997

TOTAL USES: \$ 909,268

Budget Authority Adjustment: Sufficient budget authority is included in the 2016 and 2017 budgets, no additional budget authority is being requested.

Requirements from Sedgwick County: Once allocations from KDADS are awarded administrative actions required include quarterly program reports, monthly financial reports, and provision of services through CPAAA.

Legal Considerations: The program is governed by KSA 75-5926 et seq. and KAR 26-8-1 through 26-8-15. The County (as the agency tasked with administration for the Central Plains Area Agency on Aging) has the authority to enter into this agreement pursuant to K.S.A. 19-101 et seq. Pursuant to the County's grant policies and procedures, approval would be by the Board of County Commissioners. Approval is by simple majority vote.

Policy Considerations: There are no policy implications.
