### Affiliation Agreement with the Mental Health Association of South Central Kansas.

Recommended Action: Approve the agreement and authorize the Chairman to sign.

Background: This affiliation agreement allows the Mental Health Association of South Central Kansas (MHA) to receive payment from Medicaid for mental health services provided for adults and youth with a serious mental illness. The services provided under this contract will follow all applicable standards as required by law, regulation, and accrediting agencies.

Alternatives: The services provided under this agreement help support adults and youth with a mental illness, and without them, individuals may have delayed and/or decreased access to the services needed to help them live successfully in the community.
