### Ten (10) vendor contracts to provide in-home services for the Senior Care Act (SCA) Program.

Recommended Action: Approve the contracts and authorize the Chairman to sign.

Background: The SCA program was established by the Kansas Legislature to assist older Kansans who have functional limitations in self-care and independent living, but are able to reside in the community with services the SAC program provides. The SCA program provides assessment, case management, and in-home services. Consumers share in the cost of services based on their income. Co-pay amounts are determined based on a sliding fee scale. The SCA program assists residents in need of attendant care, homemaker, and personal emergency response services allowing them to remain in the community and in the home environment of their choice.

The ten contracts are renewals with the following providers:

1. All Saint's Home Care, Inc.
2. Associated Homecare, Inc.
3. Home Buddy, LLC.
4. Home Technology Solutions, Inc.
5. Loving Hearts Home Care, Inc.
6. Mercy Home Care, LLC.
7. Mount Hope Community Development, Inc.
8. St. Raphael Nursing Services, Inc.
9. There's No Place Like Home, Inc.
10. Trust Homecare, LLC.
