Agreement with KDOT for Construction of the Derby-Mulvane Multi-Use Pathway (District 5).

Recommended Action: Approve the agreement and authorize the Chairman to sign.

The project will connect the Derby pathway system to the Mulvane pathway system by constructing a 10' wide path along Rock Road. This is a routine Kansas Department of Transportation (KDOT) project agreement.

Alternatives: Take such action as the Board deems appropriate.

Financial Considerations: KDOT will contribute up to \$840,233.00 in Federal funds. The local partners (Sedgwick County, the City of Derby, and the City of Mulvane) will equally split the required local match of \$210,059.00. Project costs exceeding \$1,050,292.00 will split equally by the local partners.

Legal Considerations: The County is authorized to enter into contracts with the Secretary of Transportation to participate in the benefits of federal aid funds under K.S.A. 68-402(b).
