Range Reallocation for the first quarter of 2014.

Recommended Action: Approve the range reallocations.

Background

1Q 2014 Compensation Study Recommendations.

Recommending two position classification range reallocations due to changes in job duties - see attached spreadsheet for Budget Impact.

Alternatives: Do not approve the range reallocations.

Financial Considerations: \$9,569 annualized for change in pay and benefits. All changes will be effective April 6, 2014.

Note: Each department has committed to utilize its current personnel budget within the fund center the position is currently assigned to and that budgetary adjustments or transfers are not required to fund the reallocations.

Legal Considerations: None.

Policy Considerations: None.
