SEDGWICK COUNTY MODIFICATION TO 2015 KANSAS ASSOCIATION OF COUNTIES (KAC) LEGISLATIVE AGENDA.

Presented by: William P. Buchanan, County Manager.

RECOMMENDED ACTION: Receive and file.

Annually, KAC prepares a legislative platform with items of interest that may require attention during the state legislative session. This document is considered a fluid, working document that can be modified at any time. Sedgwick County disagrees with KAC on several of the policy positions KAC has taken. This document identifies these differences and will be given to state legislators for their consideration during the 2015 legislative session.
